Dear Mr. Johnson:

This letter is to serve as Amendment #1 to the 2007 Allotment Operating Instructions (AOI) for the Beaver Creek allotment. This amendment, and the original AOI (dated April 19, 2007), are part of your Term Grazing Permit as provided for in Part 2, section 8(a). The Authorized Livestock Numbers (Section I) and Grazing Schedule (Section II) are the only amendments made to the original AOI; all other sections and instructions remain unchanged.

The following represents the amendments to Section I and Section II of the AOI for the Beaver Creek allotment for the 2007 grazing year:

I. AUTHORIZED LIVESTOCK NUMBERS/PERIOD OF USE/APPROVED NON-USE

Your 2007 Authorized Use Requests have been amended and you are authorized the following Livestock Numbers and Periods of Use:

360 Adult Cattle (cow/calf/bull)	March 1, 2007 to February 29, 2008
200 Yearlings	May 15, 2007 to October 15, 2007
13 Horses	March 1, 2007 to February 29, 2008

Non-Use of 177 adult cattle from 3/1/07 to 2/29/08 (Beaver Creek Unit) and 280 yearling cattle from 5/15/07 to 10/15/07 (Landmark Unit) has been approved for resource protection.

Any further changes to the 2007 authorized livestock numbers will require that you file an additional Authorized Use Request. Be advised that the Forest Service will need a minimum of 45 days to assess resource conditions and process a supplemental grazing bill for additional livestock. Please contact your Rangeland Management Specialist prior to making any decisions regarding increased livestock numbers.
