

Prescribed Fire Projects for Grasslands

Decision Notice and Finding of No Significant Impact For an Amendment to the Forest Plan for the Sedona Area - Amendment 12

Coconino National Forest, Sedona Ranger District
June, 1998

 = General regions wherein prescribed burns would be conducted.

Prescribed burns would be conducted principally to improve wildlife habitat and watershed conditions.

Actual individual burns would encompass small areas within these regions.

Prescribed burns would be conducted in this region after burn plans are prepared, and cultural and biological evaluations are completed.

- Prescribed burning would be conducted on National Forest land only.
