CONSTRUCTION NOTICE

August 27, 2004

Mt. Lemmon Highway

Milepost 11.2 – 15.9

NIGHTTIME RESTRICTIONS

Hunter contracting plans to continue working nights through Friday September 3rd. The highway will be closed between milepost 11.2 and 15.9 each night from 7 pm until 6 am the following morning. Normal nighttime scheduled passage will be permitted through the construction area at 7, 9 p.m. and again at 4 a.m.

Daytime schedule will remain the same.

HAUL TRUCKS

Hunter Contracting also plans to pave portions of the roadway beginning Monday August 30th. Be advised that *haul trucks will not be able to pull over to allow traffic to pass*. Trucks may be encountered on the roadway prior to 9:00 a.m. It is recommended that motorists traveling up the mountain allow themselves at least an additional 30 minutes to reach the pilot car area. Motorists should watch the message board on Catalina Highway, just north of Houghton Road for night shift and hauling information

LABOR DAY WEEKEND SCHEDULE

In observance of Labor Day, there will be no construction related delays on the roadway beginning at 6:00 a.m. Friday morning, September 3rd through 9:00 a.m. Tuesday morning, September 7th.

PILOT CAR OPERATION

Motorists wanting to pass through the project must be at the pilot car area **ON THE HOUR**.

The resident hotline (751-9405) will be updated when there are changes to this schedule.
