

2008 NM Trials Event Monitoring Photos

October 3-5, 2008

Jemez Ranger District

- Photo 1 - Trials area set-up adjacent to existing trail pre-event; October 3, 2008

- Photo 2 - Worn grass at edge of meadow from off-road use. Photo taken pre-event from meadow used as camping location facing perpendicular to FR376 toward trials area; October 3, 2008.

- Photo 3 - Flagged trials area pre-event (note: FR376 in background); October 3, 2008.

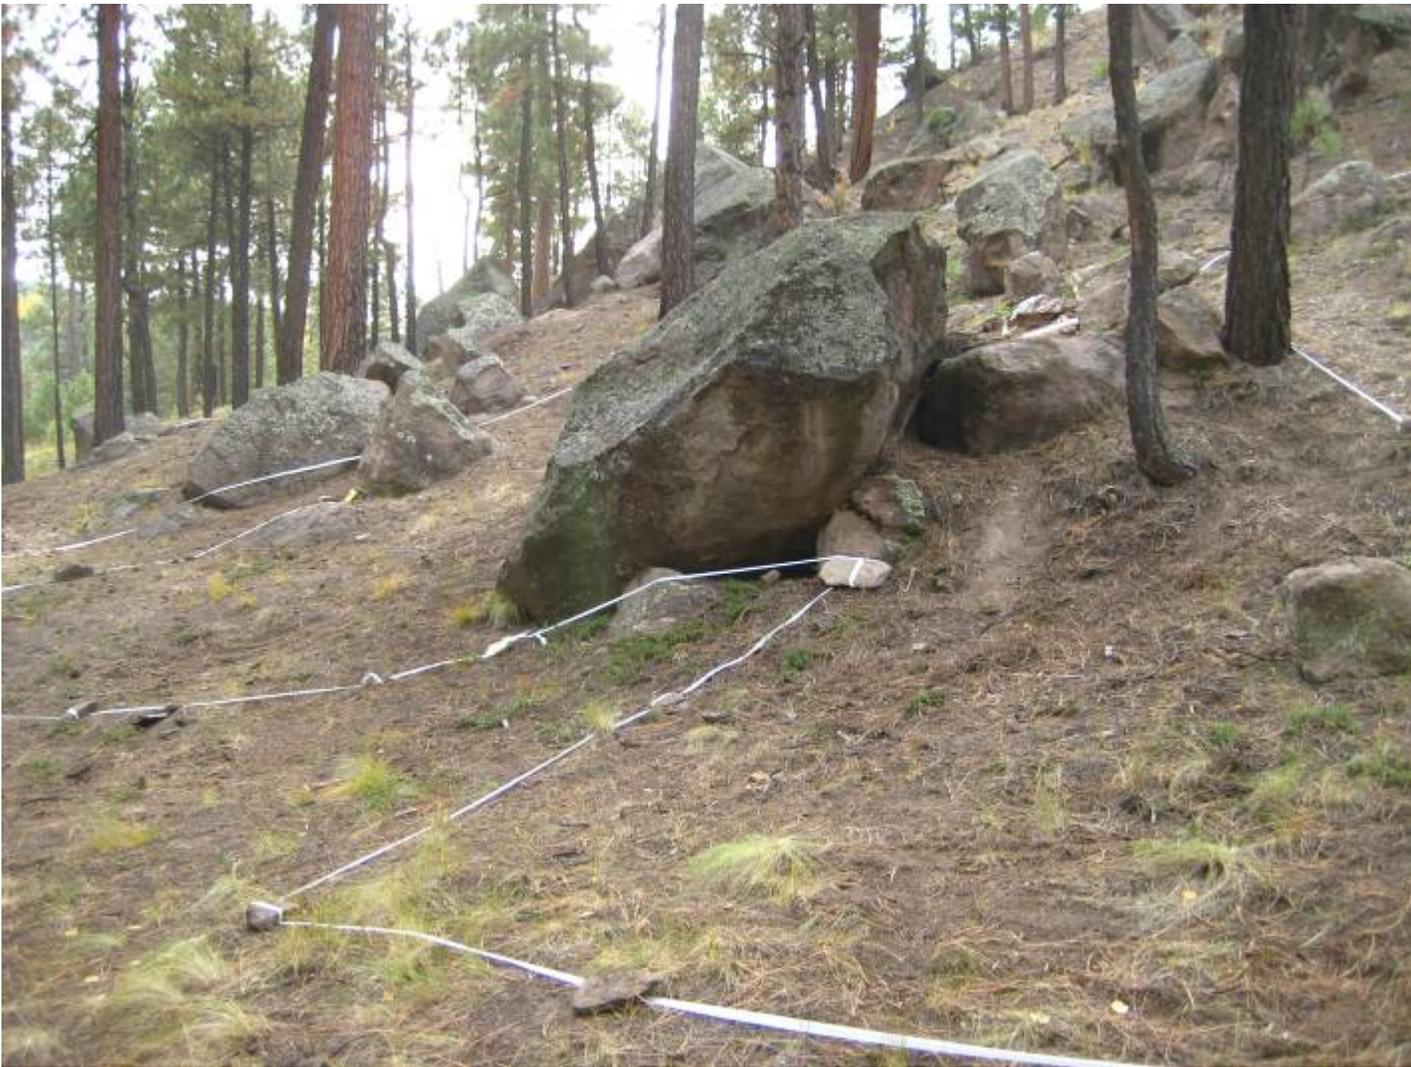

- Photo 4 - Flagged trials area pre-event; October 3, 2008.

- Photo 5 - Existing single-track trail north of FR376 that connects trials areas; October 3, 2008

- Photo 6 - Flagged trials area on slope with rocky outcrop. This photo was taken pre-event; October 3, 2008

- Photo 7 - Another photo of trails area on slope with rock outcrop. Side-slope view; October 3, 2008

- Photo 8 - Worn-grass at the edge of a meadow on FR376, which is the same area as in photo 2; October 5, 2008. Note: ribbon was added to deter travel through meadow the morning of October 5.

- Photo 9 – Heavily used area adjacent to FR376, part of a trials area, and then adjacent to several other trials areas; October 5, 2008. Same area as in Photo 3.

- Photo 10 – Tracks showing on soil in heavily used area at the intersection of three trails areas facing north; October 5, 2008.

- Photo 11 – Another photo of heavily used area at intersection of 3 trials areas from a different angle, facing southwest. October 5, 2008

- Photo 12 – Spill kits located in camping area; October 5, 2008.
