Memorandum

Date: February 10, 2006
To: Allen J. Anspach, Regional Director, Western Region
From: Chester D. Mills, Agency Superintendent
Subject: Fire Program Analysis – Preparedness Module Approval

This memorandum documents my approval of the 2008 Fire Program Analysis (FPA) Preparedness Module for the Uintah Basin Fire Planning Unit (FPU).

The Uintah and Ouray Agency, Branch of Forestry, Fire Management Section was involved and fairly represented in the FPA process. The FPA Preparedness Module for this FPU has been certified by a Technical review team.

The Budget Development and Delivery (BDD) application has been completed and identifies fire preparedness program line items that were not funded in the FPA-Preparedness Module.
