Subject: oil and gas leasing analysis project

07/25/2006 09:08 AM

Being a candidate for commissiner of Wayne county. I am very interested in this project. I would love to kept appraised fo the events leading up to the leasing. I think this a valuable situation for this area and would love to see it followed through with.

I am very pleased with the presentation keep up the great work and good luck.

I am looking forward to wrking with yoy in the future.
