

Accomplishment Report

Recreation Fee Program

Here is what your fee dollars enabled us to do:

Campgrounds:

- Protected water quality at Lye Creek Campground by completing repairs to the spring source and fixing the fencing around the spring.
- Completed water system repairs and upgrades at Bird Creek to improve system reliability. Those repairs focused on replacement of solar panels and associated electrical components.
- Replaced and enhanced Ward Mountain entrance and interior signage.
- Devoted majority of funding to agency and volunteer staffing to provide better field presence, visitor service, safety and security, and fee compliance.
- Funded campground hosts who provide vital services at these facilities.

Special Uses Program:

- Continued improvements in the processing and administering of outfitter guide permits to assure quality customer service.
- Increased field compliance checks for outfitter guide operations.

Recreation Fee Program

Projects Planned for 2009:

- Replace or repair old, unsafe, dysfunctional, and/or below standard facilities to reduce maintenance backlogs, eliminate health and safety issues, improve accessibility, and improve customer service.
- Maintain host/staffing presence for improved service, sense of security and fee compliance.
- Maintain enhanced outfitter guide permit administration.
