

CHAPTER 4: CONSULTATION AND COORDINATION

INTRODUCTION

This environmental impact statement has been distributed to individuals who specifically requested a copy of the document. In addition, copies have been sent to federal agencies, federally recognized tribes, State and local governments, and organizations representing a wide range of views regarding the Martin Basin Rangeland Project. The mailing list is available and in the project record.

In addition to public scoping, individuals, organizations and agencies intimately familiar with the local resources or coordination requirements were also contacted during the development of the DEIS. A comprehensive listing of these contacts is in the project record and includes the following:
