**CERTIFIED MAIL**  
**RETURN RECEIPT REQUESTED**

Dear Appellants:

We have received a copy of Humboldt-Toiyabe Forest Supervisor, Robert Vaught's April 13 letter withdrawing the December 8, 1999, decision made by Gloria Flora regarding operational dates for the Twin Lakes Resort.

Since the decision has been withdrawn, the appeal is now moot. Pursuant to 36 CFR 251.92(a)(6), we are dismissing this case without review of the merits.

I greatly appreciate your time and efforts in working with Forest Service personnel, both in person and through conference calls, in discussing the issues related with your appeal. This has been a complex case, and your help in working through the issues was invaluable.

Forest Supervisor Vaught stated in his April 13 decision withdrawal letter that the Forest wants to work together with you to move forward with our common goals in providing quality recreational experiences, protecting public safety and meeting the operational needs for the resort. We look forward to a continued constructive working relationship.

Sincerely,

*/s/ Jack G. Troyer*
