Reference: Gary Stowell, dba Stowell Bros., and Verland and Grace Stowell vs. Forest Service Diamond A C&H Allotment

Dear Mr. Stowell

I have recently received a copy of the settlement agreement signed by you and District Ranger Scott Bell. This agreement is the result of the mediation discussions held, by the involved parties, relating to the recent decision on the Diamond A Allotment and your subsequent appeal of that decision.

Item 42, page 2, of the settlement agreement calls for the withdrawal of your appeal, enclosed. Therefore, based on that direction I am dismissing the above referenced appeal. Your participation in resolving the issue is very much appreciated

Sincerely,

/s/ Alan S. Pinkerton
