

CHAPTER 5. CONSULTATION AND COORDINATION

Preparers and Contributors

In addition to public scoping, individuals, organizations, and agencies intimately familiar with the local resources or coordination requirements were also contacted during the development of the DEIS. This was done to fill informational voids and to either supplement or verify the results of the site specific investigations and analysis. A comprehensive listing of these contacts is on file and includes the following:

- NOAA Fisheries
- US Fish and Wildlife Service
- USDA Natural Resources Conservation Service
- Idaho State Historic Preservation Office
- Idaho Dept. of Environmental Quality
- Idaho Dept. of Fish & Game
- Idaho Dept. of Agriculture
- Idaho Dept. of State Lands
- University of Idaho – Cooperative Extension
- Custer County Commissioners
- Boise County Commissioners
- Valley County Commissioners
- Lemhi County Commissioners
- Friends of the West
- National Wildlife Federation
- Idaho Conservation League
- The Wilderness Society
- Tri-County Cattlemen’s Assoc.
- Western Watersheds Project
- Boulder White Clouds Council
- Blue Ribbon Coalition
- The Ecology Center
- Idaho Cattle Association
- Idaho Farm Bureau
- Model Watershed Project
- Nez Perce Tribal Executive
- National Riparian Service Team

Sawtooth National Forest Interdisciplinary Team

CONTRIBUTORS	EDUCATION & EXPERIENCE	CONTRIBUTION
Debora Cooper, Area Ranger, Sawtooth National Recreation Area	BSc in Wildland Science/Range Ecology, MSc in Wildlife Biology/Range Management, and 15 years with the Forest Service.	Overall review and oversight
Lisa Stoeffler, Deputy Area Ranger, Sawtooth National Recreation Area	BSc in Forestry Mgmt. and 19 years with the Forest Service	Overall review and oversight
Terence O. Clark III, Recreation Staff Officer, Sawtooth National Forest	BSc in Forestry Mgmt./Outdoor Recreation and 25 years with the Forest Service	Recreation
Sharon LaBrecque, Forest Planner, Sawtooth National Forest	BSc in Wildlife Management and years with the Forest Service	Overall review and oversight / NEPA compliance
Tom Streit, Landscape Architect, Sawtooth National Recreation Area	BSc in Landscape Architect, and 35 years with the Forest Service	Visuals/Recreation
Mark Moulton, Fish & Water Program Leader, Sawtooth National Recreation Area	BSc in Watershed Science and 17 years with the Forest Service	Hydrology / Fisheries
Ed Cannady, Recreation Manager, Sawtooth National Recreation Area	14 years with the Forest Service.	Recreation
Seth Phalen, Range Management Specialist, Sawtooth National Recreation Area	BSc in Range Science, 18 years with the Forest Service, and 10 years with the Park Service	Range
Tim Seeley, Range Technician, Sawtooth National Recreation Area	4 years with the Forest Service	Range
Warren Ririe, Range Management Staff, Sawtooth National Forest	BSc in Range Science, 25 years with the Forest Service	Range
Kameron Sam, Range Management Specialist, Sawtooth National Recreation Area	BSc in Agriculture, 8 years with the Forest Service	Range
Kim Pierson, Forest Botanist, Sawtooth National Forest	BSc in Biology, MSc in Botany/Ecology, and 10 years with the Forest Service	Botany
Jamie Bennett, Forest Heritage Program Mgr, Sawtooth National Forest	2 1/2 years with Forest Service BA Anthropology/Archaeology MSc Anthropology/Archaeology	Heritage

Robin Garwood, Zone Biologist, Sawtooth National Recreation Area	BSc in Wildlife and Fisheries Science, MSc in Raptor Biology, and 12 years with the Forest Service.	Wildlife
Rob Daley, GIS Specialist, Sawtooth National Forest	BSc in Geography and 10 years with the Forest Service	GIS / maps
Bonnie Ross, GIS technician, Sawtooth National Forest	8 years with the Forest Service	GIS / maps
Ed Waldapfel, Public Affairs Officer, Sawtooth National Forest	BSc in Forest Mgmt. and 37 years with the Forest Service	Public Information / Printing
Carol Brown, Forest Environmental Coordinator, Sawtooth National Forest	BSc in Forestry, and 20 years with the Forest Service	Writer / Editor and NEPA compliance

Distribution of the Environmental Impact Statement

This environmental impact statement has been distributed to individuals who specifically requested a copy of the document and to people who commented during the scoping periods. In addition, copies have been sent to Federal agencies, federally recognized tribes, State and local governments, and organizations representing a wide range of views regarding this allotment analyses. The mailing list is available from the Forest Service and is part of the project record.
