

**NOTICE OF DECISION**  
**USDA - Forest Service**  
**Uinta National Forest, Heber Ranger District**  
**Wasatch County, Utah**  
**Hogsback Aspen Understory Seeding II**

The Heber Ranger District of the Uinta National Forest has completed an environmental analysis of the Hogsback Aspen Understory Seeding II. The project will seed approximately 200 acres of understory in an aspen community adjacent to the seeding done in 2004 on the Hogsback Ridge located within Daniel's Canyon watershed, approximately ten miles south east of Heber City, Utah. (N ½Sec. 10, S ½ Sec. 3, SE ¼ Sec. 4, T 5 S, R 6 E, SLM). The seeding will increase ground cover and plant diversity under the aspen stands where there is a high incident of bare ground.

The Responsible Official, Heber District Ranger Julie King, approved a Decision Memo for the seeding on August 11, 2005. Pursuant to 36 CFR 215.12 (f), this decision is not subject to a higher level of review or appeal. Implementation may begin immediately. Please contact the Responsible Official: Julie King, District Ranger, at (435) 654-0470, if you have any questions regarding this project or if you would like a copy of the Decision Memo or associated documents.
