

# Students' Quotes

"The CCC gives diverse students the opportunity to get their foot in the door while receiving environmental education, information about going to college, and advice on how to become a professional."

"Working on a crew gave me the opportunity to work in a team and take the role of a leader."

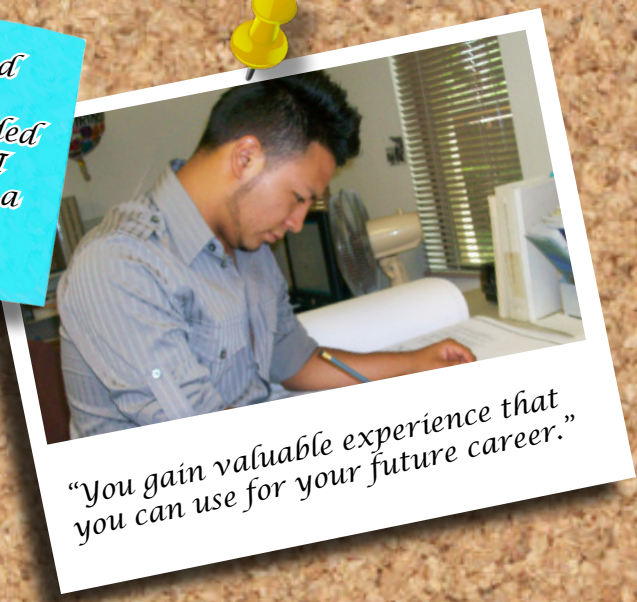

"This internship made me realize how much I love working with my community. I want to help and work with people."

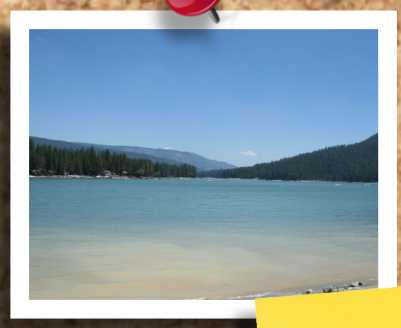

"This internship allowed me to connect with the forest, which I would have never done on my own time."

"What I valued the most was being surrounded by people that I looked up to on a daily basis."

"You gain valuable experience that you can use for your future career."

"Going to work everyday was the highlight of my summer!"
