

Supervisors' Quotes

"I was impressed with my intern's performance, commitment, and determination. He takes responsibility for his actions, willingly takes on new tasks and learns new skills. He is an individual with strong work ethics."

"I know I can always expect quality, hard working employees provided by the CCC."

"CCC Staff was very helpful in providing and finding me information which made it easier for me to recruit and hire."

"My relationship with the CCC this summer has been great as always. We have never had an issue we can't resolve. Thank you CCC for the excellent work you all do."

"My intern was a reliable worker who never complained and got the job done."

"My experience working with the Central CA Consortium was remarkable. It allowed me to see how the Central CA Consortium's remarkable work and dedication helps hundreds of students achieve their dreams."
