**The Supervisor's Office did not initiate any new projects this quarter.**

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Amador Ranger District**

26820 Silver Drive, Pioneer CA 95666

209-295-4251

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<b>Mormon Carson Emigrant Trail</b> Management and interpretation for Mormon-Carson Emigrant Trail.	Amador and Alpine Counties	Ongoing	Analysis in progress	Winter 2005	Winter 2005	Denise McLemore 530-622-5061
<b>Pardoe Range Allotment Grazing Permit</b> Issue a new Grazing Permit for the Pardoe Allotment which incorporates the new Sierra Nevada Forest Plan Amendment direction that will lead this allotment toward desired conditions.	Amador and Alpine Counties	July 2004	Analysis in progress	Fall 2004	Winter 2004	Susan Rodman 530-621-5298
<b>Gold Fingers/Live &amp; Let Die Fuels Reduction Project (projects are now combined)</b> Vegetation treatment of surface and ladder fuels within the urban interface. Treatments include mastication, underburning, commercial and pre-commercial thinning.	Amador and El Dorado Counties	August 2004	In progress	September 2005	October 2005	Bob Carroll 209-295-5930
<b>Fly Fishing Outfitter and Guide Permit</b> Issue 5 year Special Use Permit for fly-fishing instruction and guiding on upper Silver Fork and Caples Creek	Amador, Eldorado, Alpine Counties	Ongoing	Analysis in progress	Summer 2004	Summer 2004	Anthony Botello 209-295-5960
<b>Kirkwood Mountain Resort Mountain Master Development Plan</b> Install new lifts, upgrade lifts, construct restaurant, expand snowmaking coverage, widen existing ski runs, and install infrastructure needed to support the above improvements.	Amador, Eldorado, Alpine Counties	Ongoing	Analysis in progress	Fall 2004	Winter 2004	Anthony Botello 209-295-5960
<b>Snow Park Toilet Replacement</b> Replace portable restroom facilities at Meiss and Iron Mountain Sno-Parks with permanent precast concrete vault toilets in partnership with California State Parks and Recreation.	Eldorado and Alpine County	Ongoing	Analysis in progress	Summer 2004	Winter 2004	Anthony Botello 209-295-5960
<b>OHV Outfitter Guide SUP</b> Issue temporary Special Use Permit for outfitting and guiding of OHV users in the Gold Note Trails area.	Amador County	Summer 2004	Analysis in progress	Winter 2004	Winter 2004	Anthony Botello 209-295-5960

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Amador Ranger District**

26820 Silver Drive, Pioneer CA 95666

209-295-4251

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<b>Rescue Ropes Technical Ropes Course SUP</b> Issue 5 year Special Use Permit for technical rescue ropes climbing instruction on NFS lands in upper Caples Creek.	Alpine County	Summer 2004	Analysis in progress	Summer 2004	Fall 2004	Anthony Botello 209-295-5960
<b>Lake Margaret Trail Reconstruction</b> Reconstruct Lake Margaret trail tread and necessary water crossings to prevent further resource damage and provide for user safety and satisfaction.	Alpine County	Summer 2004	Analysis in progress	Fall 2004	Summer 2007	Anthony Botello 209-295-5960
<b>Martin Meadow Road and Campsite Restoration</b> Place barrier rocks to define appropriate roads and campsites, while blocking excessive user created roads to prevent resource damage. Grade and gravel roads to improve drainage. Install bear-proof food storage lockers, fire rings, and tables in campsites.	El Dorado County	Not yet started	Summer 2004	Fall 2004	Spring 2005	Tina Garcia 209-295-5950

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Georgetown Ranger District**

7600 Wentworth Springs Road, Georgetown CA 95634

530-333-4312

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<b>By the Way</b> Roadside maintenance on south side of district to remove hazard trees along maintenance level 3, 4, and 5 roads for public safety.	El Dorado County	On going	Analysis in progress	July 2004	August 2004	Elaine Gee 530-333-4312
<b>Rust-Resistant Sugar Pine Protection and Maintenance</b> Vegetation treatment around 23 proved rust-resistant sugar pines to maintain their health and vigor. Treatment includes commercial and pre-commercial thinning.	Placer and El Dorado Counties, various locations district wide	On hold	On hold	On hold	On hold	Wayne Holmstrom 530-333-4312
<b>Bottle Hill Understory Burn</b> Maintenance burn within a shaded fuel break to reduce surface fuel loading on approximately 175 acres.	El Dorado County	On hold	On hold	On hold	On hold	Jeff Barnhart 530-333-4312
<b>Rockeye Fuels Reduction</b> Vegetation treatment of surface and ladder fuels on 800 acres within the urban interface north of Mosquito. Treatments include mastication, commercial and pre-commercial thinning.	El Dorado County	Ongoing	Analysis in progress	Summer 2004	Fall 2004	Wayne Holmstrom 530-333-4312 or Katy Coulter 530-295-5643
<b>Rim II Understory Burn</b> Understory burning for fuels reduction on approximately 3,000 acres in the Rubicon River drainage along an existing defensible fuel profile zone.	Placer County	On hold	On hold	On hold	On hold	Jeff Barnhart 530-333-4312
<b>Cement Hill Fuels Reduction</b> Vegetation treatment of surface and ladder fuels on 900 acres primarily within the urban interface along Bottle Hill Rd and Volcanoville Rd. Treatments include mastication, underburning, commercial and pre-commercial thinning and tractor piling	El Dorado County	Ongoing	Start in Spring 2004	December 2004	Winter 2004-2005	Don Errington 530-647-5450

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Georgetown Ranger District**

7600 Wentworth Springs Road, Georgetown CA 95634

530-333-4312

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<b>Swan Fuels Reduction</b> Vegetation treatment of surface and ladder fuels on 800 acres primarily within the urban interface near Swansboro and Slate Mtn. Treatments include mastication, underburning, commercial and pre-commercial thinning and tractor piling	El Dorado County	Ongoing	Start in Spring 2004	Spring 2005	Spring 2005	Don Errington 530-647-5450
<b>Quintette Fuels Reduction</b> Vegetation treatment of surface and ladder fuels on 900 acres primarily within the urban interface in the Quintette and Bald Mtn area. Treatments include mastication, underburning, commercial and pre-commercial thinning and tractor piling	El Dorado County	Ongoing	Start in Summer 2004	Spring 2005	Summer 2005	Don Errington 530-647-5450
<b>Hey Joe Plantation Fuel Reduction</b> Vegetation treatment of surface and ladder fuels on 800 acres of plantations and natural stands within the Poho Ridge area. Treatments include mastication, underburning, commercial and pre-commercial thinning and tractor piling	El Dorado County	Ongoing	Start in Summer 2004	March 2005	Summer 2005	Don Errington 530-647-5450
<b>Hartless Ridge Fuel Reduction</b> Vegetation treatment of surface and ladder fuels on 600 acres of plantations and natural stands along the Uncle Toms Road between Icehouse Road and Ellis Bridge on both Pacific and Gtwn Ranger Districts. Treatments include mastication, underburning, commercial and pre-commercial thinning and tractor piling	El Dorado County	Ongoing	Start in Summer 2005	December 2005	Summer 2007	Don Errington 530-647-5450
<b>Long Canyon Toilet Installation</b> Install a prefabricated vault toilet to provide sanitation facilities in this popular recreation area.	Placer County	Ongoing	Analysis in progress	Fall 2004	Fall 2004	Jon Jue 530-333-4312

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Georgetown Ranger District**

7600 Wentworth Springs Road, Georgetown CA 95634

530-333-4312

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<p><b>Georgetown History Tour Site 10 Trail</b> Construct approximately 200 feet of trail and install fencing to an overlook of the Rubicon Canyon at an existing auto tour site.</p>	El Dorado County	Ongoing	Analysis in progress	Fall 2004	Summer 2005	Becky Graham 530-333-4312
<p><b>PG&amp;E Transmission Line Separation Project</b> The Federal Energy Regulatory Commission has ordered PG&amp;E to remove their transmission lines between the Middle Fork Powerhouse and substations at Foresthill and Gold Hill from FERC License #2479 for these facilities. PG&amp;E will need to obtain a special use authorization for the transmission lines and access roads from the Eldorado and Tahoe National Forests. The special use authorization will include the terms and conditions for the occupancy and maintenance of the transmission lines and access roads on National Forest System lands. The analysis and documentation will be prepared by PG&amp;E and reviewed by the Forest Service.</p>	El Dorado County and Placer County	Ongoing	Began winter 2001	August 2004	September 2004	Jon Jue 530-333-4312
<p><b>Communication Site Lease for Falcon Cable Systems Company II LP</b> Issue a new lease to Falcon Cable Systems Company for an existing Bald Mountain communication facility. The company purchased the facilities in Sept. 2001.</p>	El Dorado County	Ongoing	In progress	Summer 2004	Summer 2004	Lorraine Gerchas 530-644-2349
<p><b>Special Use Permit for a Equestrian Recreation Event for Gold Country Endurance Riders</b> Issue an annual permit that is renewable up to five years subject to approval of the annual operating plan. Recreation event would take place in the Rock Creek area and the Bottle Hill area.</p>	El Dorado County	Ongoing	In progress	Summer 2004	Summer 2004	Jon Jue (530) 333-4312

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Georgetown Ranger District**

7600 Wentworth Springs Road, Georgetown CA 95634

530-333-4312

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<b>Special Use Permit for a Equestrian Recreation Event for El Dorado Equestrian Trails Foundation</b> Issue an annual permit that is renewable up to five years subject to approval of the annual operating plan. There would be 3 events per year (May 30, July 24, and October 3, 2004). The events would be staged from Dru Baker Campground and would use trails in the Bottlehill, Balderson, and Darling Ridge areas.	El Dorado County	Ongoing	In progress	Summer 2004	Summer 2004	Jon Jue (530) 333-4312
<b>Maiden Hair Ledge Mine Plan of Operations</b> Plan to explore and develop a locatable mineral using a backhoe to excavate a whole 12'x20'x40'.	El Dorado County	Complete	Complete	Decision May 3, 2004	May 2004	Dennis Smith 530-333-4312
<b>Meadowbrook Day Use Area Restoration</b> The intent of this project is to maintain the water quality in Slat Creek and Traverse Creek, improve aquatic habitat for threatened and sensitive aquatic wildlife and plant species, and return the connectivity of the wet meadow to the stream. This will be accomplished by redesigning the parking access, constructing and reconstructing fences where necessary to protect the sensitive plants, blocking off vehicular access to the stream banks, and restoring the trampled meadow area adjacent to the creek.	El Dorado County – T12N, R10E, Section 24.	Complete	Complete	Decision April 29, 2004	Summer 2004	Jann Williams 530-621-5240
<b>California Basket Weavers Fern Collection area</b> Development and implementation of a management plan for maintenance, enhancement, and protection of a Woodwardia gathering site.	El Dorado County	Summer 2004	Not yet started	August 2004	September 2004	Mike Taylor 530-621-5219
<b>Slate Mountain Trail Barricade and Restoration Project</b> - Place large barricade rock along a 200-foot section of road 11N88 to prevent further damage to a sensitive plant.	El Dorado County	Complete	Complete	Decision May 2004	September 2004	Mike Taylor 530-621-5219

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Pacific Ranger District**

7887 Highway 50, Pollock Pines CA 95726-9602

530-644-2349

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<b>Vegetation Management in Conifer Plantations</b> Vegetation management, including herbicides, to control brush in conifer plantations on approximately 200-500 acres to ensure survival.	El Dorado County; various locations across district	Ongoing	In progress	August 2004	Fall 2004	Bob Carroll 530-644-2349
<b>Cassowary Road Mtc</b> Roadside maintenance on south side of district to remove hazard trees along maintenance level 3, 4, and 5 roads for public safety.	El Dorado County	Completed	Analysis in progress	July 2004	September 2004	Don Errington 530-644-2349
<b>Pacific Precommercial Thinning</b> Thinning of non-commercial sized trees on 500-700 acres of 10-20 year-old plantations to maintain growth and improve forest health.	El Dorado and Placer County; various locations across district	Spring 2004	In progress	Summer 2004	Summer 2004	Bob Carroll 530-644-2349
<b>Treagee Fuels Reduction Project</b> Understory thinning and follow-up prescribed burning in mixed conifer and red fir stands for fire and insect resiliency. Project will also possibly include mastication and tractor piling. Acreage and location of treatments not yet established. This project is a re-start of the Treesacrowd Fuels Reduction Project (see above)	El Dorado and Placer County	On-going	Summer of 2004.	Fall 2004	Summer 2005	Don Errington 530-644-2349
<b>John Doe Fuels Reduction Project</b> Understory thinning and follow-up prescribed burning in mixed conifer and red fir stands for fire and insect resiliency. This project is in the same area as the former Lincoln Highway Fuels Reduction project, and addresses the same purpose and need. The project is being adjusted to comply with the Sierra Nevada Framework. Scoping notices will be sent to all those who had expressed interest in the Lincoln Highway Fuels Reduction Project.	El Dorado County	On going	Not yet started.	October 2005	Spring 2007	Don Errington 530-644-2349

<p><b>Misfire Fuels Reduction</b> Understory thinning and tree removal in various timber stands within Strategically Placed Area Treatments (SPLATS), the Defense and Threat zones at various locations on Pacific Range District. In addition selected timbered lands located within the various 15-40 year-old plantations would be treated to improve fire resiliency. This project involves the removal of both commercial and non-commercial size trees. Estimated treatment area is 1,000 acres.</p>	El Dorado County	On going	Not yet started	March 2005	Spring 2005	Don Errington 530-644-2349
<p><b>XFactor Fuels Reduction</b> Understory thinning and tree removal in various timber stands within Strategically Placed Area Treatments (SPLATS), the Defense and Threat zones at various locations on Pacific Range District. In addition selected timbered lands located within the various 15-40 year-old plantations would be treated to improve fire resiliency. This project involves the removal of both commercial and non-commercial size trees. Estimated treatment area is 850 acres.</p>	El Dorado County	On going	Not yet started	Winter 2005	Spring 2005	Don Errington 530-644-2349
<p><b>Barrett Lake Jeep Trail Re-route and Bridge Crossing</b> Re-route a small section of the Barrett Lake Jeep Trail that goes through a wet meadow area, and construct a bridge across Jones Fork Silver Creek to re-route the trail that currently crosses through the creek.</p>	El Dorado County; Barrett Lake Jeep Trail	In progress	In progress	Summer 2005	Summer 2005	Rich Platt 530-644-2349
<p><b>South Fork Campground Restoration</b> Proposed action includes spur and parking area improvements, and upgrading site facilities.</p>	El Dorado County; South Fork Campground	In progress	In progress	Winter 2005	Summer 2005	Jeff Marsolais 530-644-2349

## Schedule of Proposed Actions: Eldorado National Forest

**July 2004**

**Pacific Ranger District**

7887 Highway 50, Pollock Pines CA 95726-9602

530-644-2349

Project Name/Description	Location	Scoping Status	Status of Analysis	Estimated Decision Date	Estimated Implement Date	Contact Person
<p><b>Watershed Restoration</b> Repair resource damage caused by the use of motorized vehicles off designated roads. Close user created routes by signing routes closed and blocking motorized vehicle access by the placement of rocks and logs as barriers. The user created routes would be ripped, water-barred, and mulched with rice straw.</p>	<p>El Dorado County; Bloodsucker/Wrights Lake area, north side of Union Valley Reservoir, and various locations across the district</p>	In progress	In progress	Summer 2004	Summer 2004/2005	Jennifer Ebert 530-644-2349
<p><b>Wrights Lake Shoreline and Campground Vegetation Restoration</b> Reduce impacts to shoreline riparian vegetation around Wrights Lake and within meadow areas within the Campground. Restoration will include loosening compacted soil, planting native vegetation, and temporarily blocking access to revegetation sites. Durable access routes will be evaluated and provided where appropriate. Restoration will occur in small areas and will not completely preclude access to the shoreline.</p>	<p>El Dorado County, along the shoreline of Wrights Lake and adjacent areas; within Wrights Lake Campground</p>	In progress	In progress	Fall 2004	July 2005	Jennifer Ebert 530-644-2349
<p><b>Developed Site Seasonal Closure Forest Order</b> Issue a Forest Order to prohibit vehicle access behind locked gates within developed recreation sites.</p>	<p>El Dorado County; various developed recreation sites across the district</p>	In progress	In progress	September 2004	October 2004	Jennifer Ebert 530-644-2349
<p><b>Big Silver Group Campground Fence and Erosion Control</b> Reduce the potential for erosion and sediment delivery to Big Silver Creek within the Big Silver Group Campground by constructing a fence along a cut slope and stabilizing the slope with native vegetation and cover materials. The fence is needed to divert human access away from the slope to allow revegetation and slope stabilization.</p>	<p>El Dorado County, Big Silver Group Campground</p>	In progress	In progress	Summer 2004	September 2004	Rich Platt 530-644-2349

## Schedule of Proposed Actions: Eldorado National Forest

<p><b>Outfitter &amp; Guide Permit Reissuance</b> Reissue Special Use Permits for two licensed outfitter and guides, California Canoe &amp; Kayak and Current Adventures. California Canoe &amp; Kayak offer guided day canoe and kayak trips on Slab Creek Reservoir on the South Fork American River. Current Adventures offer guided day kayak trips on Slab Creek Reservoir and on Loon Lake on the Pacific Ranger District. Both permits are for the 2004 summer season of June through September.</p>	El Dorado County, Slab Creek Reservoir	Complete	Complete	Decision May 2004	June 2004	Cathy Bounds 530-644-2324
<p><b>PG&amp;E Transmission Line Separation Project</b> The Federal Energy Regulatory Commission has ordered PG&amp;E to remove their transmission lines along the El Dorado - Missouri corridor from the FERC License of the associated hydroelectric facilities. PG&amp;E will need to obtain a special use authorization for the transmission lines and access roads from the Eldorado National Forest. The special use authorization will include the terms and conditions for the occupancy and maintenance of the transmission lines and access roads on National Forest System lands. The analysis and documentation will be prepared by PG&amp;E and reviewed by the Forest Service.</p>	El Dorado County	Completed	Completed	July 2004	Summer 2004	Cindy Oswald 530-644-2324 or Laura Hierholzer 530-642-5187
<p><b>Baltic Lookout Decommissioning</b> Remove structures form the Baltic Lookout including the lookout tower, cabin, garage, water tank, and pump house. Foundations would be left.</p>	El Dorado County	Ongoing	In progress	Summer 2004	Fall 2004	Kathy Hardy 530-644-2324
