

APPENDIX B**(Errata April 4, 2008)****Public and Agency Comments**

The Notice of Availability of the Draft Environmental Impact Statement (DEIS) was published in the Federal Register on July 20, 2007 and copies of the DEIS were mailed to over 510 individuals, organizations, tribes, and government agencies. The comment period, which was extended an additional 45 days due to requests from the public for additional time to review the DEIS, ended on October 22, 2007. Approximately 1,000 people submitted original comments during the comment period. Those commenters are listed below in both alphabetical and numerical order. Additionally, approximately 5,000 people submitted form letters during the comment period and those names are listed in the project record. Following the commenters' names are four letters received on the DEIS from federal, state, and local agencies, federally recognized tribes, and elected officials.
