Labor Day Recreation Opportunities Available on Lassen National Forest

Susanville...Despite the first hints of fall approaching, all Lassen National Forest recreation facilities remain open. Campgrounds, picnic areas, beaches, and trails will be open for Labor Day visitors. According to Richard Noble, Lassen National Forest Information Specialist, "Labor Day Weekend is historically the last three day weekend one can enjoy all the summer activities."

Forest visitors are reminded that the potential for Wildfire is Very HIGH and that Fire Restrictions are still in effect. Open fires are only allowed in designated campgrounds and recreation areas, and must be attended at all times.

Additionally, off road motorized travel and the use of chain saws are still restricted throughout the Forest.

Additional information may be obtained at any Forest Service office in your area or by calling the Forest Supervisor's Office at (530) 257-2151, and for special needs, please dial TDD at (530) 257-6624.
