Modoc National Forest Campgrounds Open

Alturas ... Campgrounds across the Modoc National Forest are scheduled to open for Memorial Day Weekend except for those in the Medicine Lake area (due to late, heavy snow).

The recent warm weather has melted the snow in the higher elevations of the Warner Mountain, Devil's Garden and Big Valley Ranger Districts and the campgrounds will become accessible to vehicle traffic as weather permits. Changes in weather conditions may cause some of the remote campgrounds to remain or become inaccessible. Please use caution as roads are still soft and vehicles pulling trailers may be difficult to maneuver or create resource damage.

Blue Lake, Mill Creek, Soup Springs, and Howard's Gulch campgrounds have potable water available and fees are \$6.00 to \$7.00 per night.

For more information on recreation and current road conditions, please call any of the following Forest offices:

Supervisor's Office, 233-5811
Warner Mountain Ranger District, 279-6116
Big Valley Ranger District, 299-3215
Doublehead Ranger District, 667-2246
