News Release #06-56

Bucks Lake Campground Closure

Popular Forest Service campgrounds at Bucks Lake are receiving some much need upgrades this fall. The Sundew and Hutchins campgrounds will have new water systems and both will have new toilet facilities, as will the Mill Creek Campground.

“We hate to disappoint visitors but our construction season is so short in the fall,” noted Peggy Gustafson, Resource Officer for the Mt. Hough Ranger District.

Grizzly Campground and Lower Bucks Campground remain open for self-contained camping as no water is available. Haskins Valley Campground, operated by PG&E, will close on September 24, 2006.

Please call the Mt. Hough Ranger District at (530) 283-2050 for other camping options in the surrounding area.
