

Cyrus Canyon Partners
Minutes of April 3, 2008 Meeting
2:00 PM
Kernville Forest Service Building

Present:

Brenda Ehmann,
Cindy Thill,
Bob Frenes,

Georgia Lupercio
Neal Preston
Officer Jim Stratton

On conference call: Mary Cole

Review agenda items and February meeting notes:

No comments made.

MOU Update:

Brenda Ehmann reported the MOU is in the process of being signed.

Master Plan Update:

A Draft Master Plan was completed by Mary Cole using available information. We will review the plan at the May meeting.

Project Work:

The track needs to be graded. Bob is working on a Decision Document allowing us to go forward with that before the event that is being proposed in April. He has most of the documentation that is needed for a decision. He needs documentation from Steve Anderson and Chris Stuart. Cheryl Bauer will help him write the decision document. Bob is also working on a decision document that will allow implementation of the Master Plan after it has been finalized. We need to know the status of water at the site.

Events:

Jeff Cooper is interested in having an event the end of April rather than the beginning of May. Proposed permit holder would like this to be a Grand Prix. The track has been extended one mile by including existing trail that is not normally used for events. There may be 200 to 300 participants and 1,000 people total. County Sheriffs Department is curious to know if there will be vendors, and where are people who are attending the event planning to sleep/stay? Permit administrator, Artie Colson, will need to keep the sheriffs department in the loop.

Items For Next Agenda:

The next meeting will be held on May 1, 2008 at 2:00 PM at the Kernville Forest Service building.

Items to be addressed at that time will be:

Master Plan review, water availability, and review of the "Event" that is proposed to happen the end of April (before the next meeting).
