 Subject: Gerald Winters Memorial

If this could get out to all employees.

Most of the Forest Service Employees knew him as Jerry Winters. He worked in Weaverville in Engineering. He retired from the Equipment Shop in Redding. Talking to his son looked like his memorial would be on Thursday June 15 at 1100.

WINTERS -- Gerald Winters, 66, of Redding died Saturday at Shasta Regional Medical Center in Redding. Arrangements are pending at Lawncrest Chapel in Redding
