ADDITIONAL INFORMATION

- On private land you must have written permission from the landowner for campfire use.
- Some designated wilderness areas require a special permit.
- Many high-country areas prohibit wood fires to protect scarce vegetation.
- If you smoke outside a vehicle, be sure you do so within a cleared area at least 3 feet in diameter.

Definition: A **campfire** is a fire which is used for cooking, personal warmth, lighting, ceremonial or esthetic purposes that is not within a building, mobile home or living accommodation mounted on a motor vehicle. Campfires include wood fires, charcoal fires, and portable gas stoves using gas, jellied petroleum or pressurized liquid fuel.

Liability: You are liable for the cost of suppression and damages caused by any wildfire that starts through your negligence. Reference California Health and Safety Code 13009, Suppression costs collectable.
