

## Rustbusters Registration Form

Voluntary Pre-work: Send abstracts or topics for discussion.  
We will compile this information to hand out at the beginning of the meeting.

**There is no registration fee for this meeting, so it is even more crucial than normal that we estimate the number of people that will be at the meeting. We will line up a meeting room and fieldtrip logistics based upon those who RSVP. Please respond by May 30 if it is likely that you will attend.**
