Enclosed is the latest **Schedule of Proposed Actions** (SOPA) for the Mt. Hood National Forest. These reports are published quarterly in January, April, July, and October of each year.

The purpose of the SOPA is to give early, informal notice of upcoming proposals and on-going project analysis on the Forest. The SOPA also tracks project decisions that have been made since the previous SOPA was published.

If you have questions regarding any of the projects listed in this report or wish to receive additional information on any of the projects listed, please contact the person identified as the project contact.

This report is also available on the internet at <http://www.fs.fed.us/r6/mthood/publications> under PALS (Planning, Appeals, and Litigation System Report). In order to keep printing and mailing costs down, if you no longer wish to receive the SOPA by mail, please contact us and we will remove your name from the mailing list. Contact Michelle Lombardo by phone at (503) 668-1796, by email at [mlombardo@fs.fed.us](mailto:mlombardo@fs.fed.us), or write to the below address ATTN: Michelle Lombardo.

Comments received in response to this solicitation, including names and addresses of those who comment on these projects, will be considered part of the public record and will be available for public inspection. Comments submitted anonymously will be accepted and considered; however, those who submit anonymous comments will not have standing to appeal the subsequent decision under 36 CFR Parts 215. Additionally, pursuant to 7 CFR 1.27 (d), any person may request the agency to withhold a submission from the public record by showing how the Freedom of Information Act (FOIA) permits such confidentiality. Persons requesting such confidentiality should be aware that, under the FOIA, confidentiality may be granted in only very limited circumstances, such as to protect trade secrets. The Forest Service will inform the requester of the agency's decision regarding the request for confidentiality, and where the request is denied, the agency will return the submission and notify the requester that the comments may be resubmitted with or without name and address within a specified timeframe.
