DESCRIPTION: This course brings together helitorch module members and plastic sphere dispenser (PSD) operators to discuss policies and procedures; identify problems, concerns, and tasks; and recommend changes. This workshop meets the requirement established in the Interagency Aerial Ignition Guide for an annual recertification training session to maintain currency.

Note: Class size will be limited to approximately 12 students. Students need to bring clothing appropriate for outdoor weather for the "hands on" demonstration portion of the training.

TARGET GROUP: Carded interagency helitorch module members and PSD operators

PREREQUISITES: Qualified as a HTMG, HTMM, HTPT, or PLDO

SCHEDULE: PSD recertification will begin at 1000 hours and conclude by noon.
Helitorch recertification will begin at 1300 and conclude by 1600 hours.

COST: No tuition. Students and instructors are responsible for travel and per diem.
