Dear Planning Participant:

I am pleased to announce the completion of the Buckhorn Access Project final Environmental Impact Statement (FEIS) and Record of Decision (ROD). You previously requested a copy of this document in one of the four following formats: CD, paper copy, web, or ROD/FEIS Summary only. Enclosed is the version you requested. If you have not previously indicated a preference, we are mailing you the ROD/FEIS Summary only. This letter also serves as notification of the availability of the FEIS and Record of Decision on our website to those who requested to view the document on the internet. These documents are now available on our website at:

www.fs.fed.us/r6/oka/projects

Anyone wishing additional information on the project should contact Phil Christy at (509) 486-5137.

Sincerely,

[Signature]
