## Worksheet for Wild & Scenic River Inventory

Last Updated 03-25-05

*The objectives for this part of the workshop are:*

- For you to get **INFORMATION** from the Blue Mountains Forest Plan Revision Team about how the **WILD & SCENIC RIVER INVENTORY** process works and how you can contribute to it.
- To give you a chance to review the **INVENTORY** the team has developed to date (**CONTENT/MAPS**).
- To foster **CONVERSATION** among all – Forest Service and participants alike.
- To get your **INITIAL COMMENTS** on how the **PROCESS** was applied and the **CONTENT** that resulted from its application.

After listening to Trish Callaghan of the Blue Mountains Forest Plan Revision Team, please **ANSWER** the following questions:

1. Knowing what you now know about the Wild & Scenic River inventory **PROCESS**, do you think the Revision Team **APPLIED THE PROCESS** fairly?

\_\_\_ **YES, Because?** \_\_\_\_\_

\_\_\_ **NO, Because?** \_\_\_\_\_

**Other Reasons or Notes?** \_\_\_\_\_
