No drinking water is available.

Restrooms

Vault toilets

Fishing

In nearby War Fork Creek

Horseshoes

In playing field

SETTING

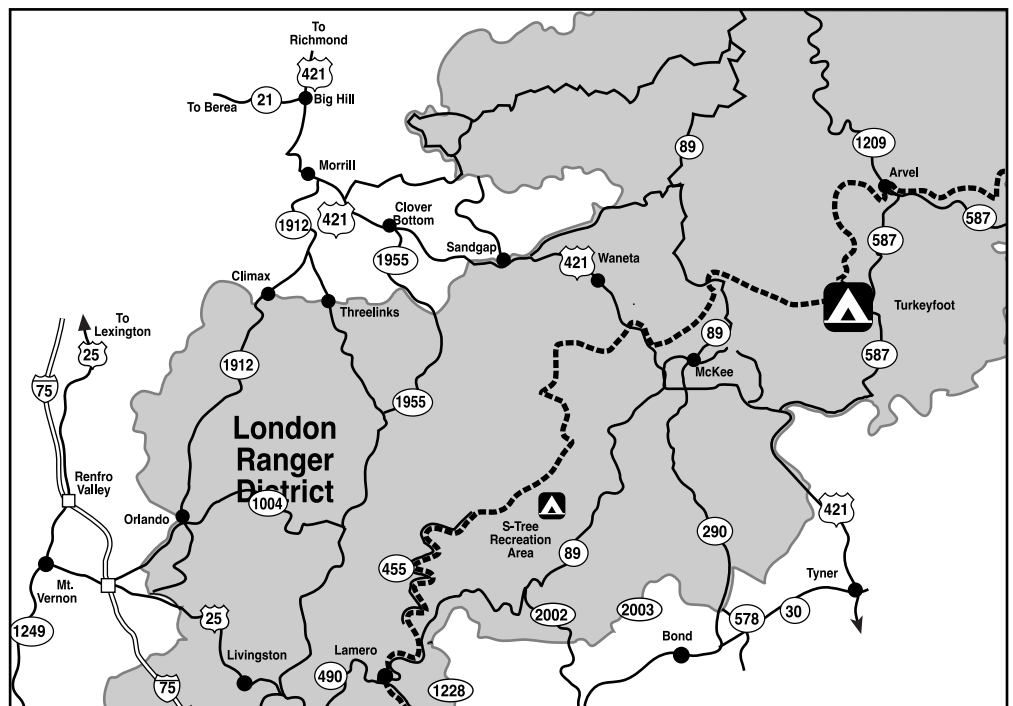

Turkey Foot Campground is nestled along the banks of War Fork Creek. The creek is stocked with trout throughout the year. The road into the campground is quite steep and may be unsuitable for campers towing large trailers. There is a low water ford across the creek at the campground entrance. The Sheltowee Trace National Recreation Trail is accessible from the campground. A playfield is located in the picnic area alongside the creek.

CAMPSITE INFORMATION

All of the campsites are wooded. Each site is equipped with picnic table, grill, tent pad, and lantern pole. There is no water, electric or dump station available in the campground. All of the sites are within easy walking distance of the creek. Campsites are available on a first-come, first-served basis.

TRAIL INFORMATION

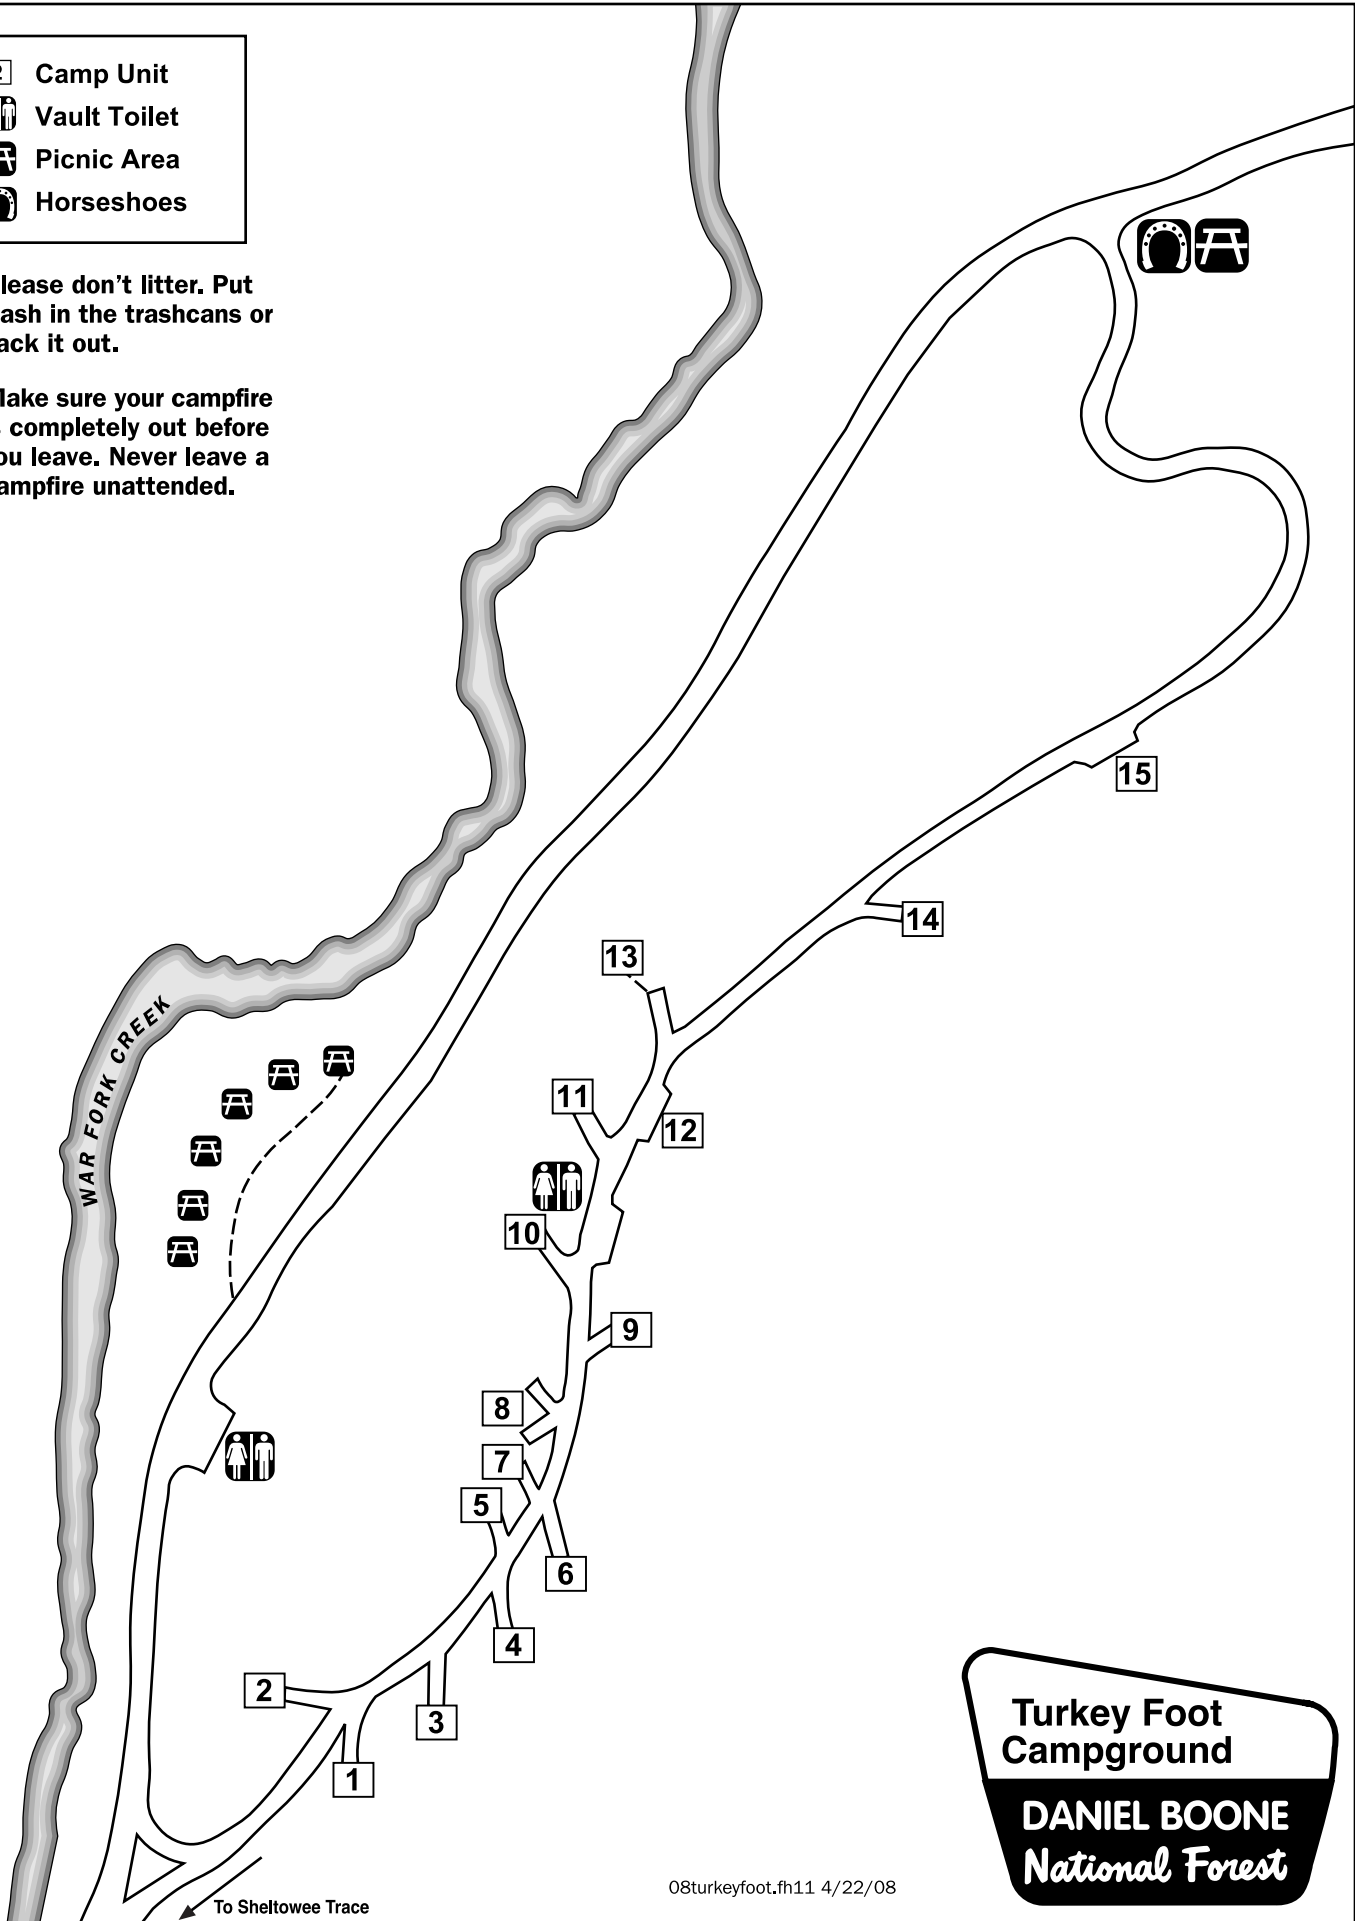

The trail running north from the campground is open to use by off-highway vehicles less than 50" wide. You must stay on the marked trail. A helmet is required.
