MAP ORDER FORM PAGE 2 OF 2

Directory- Recreation Areas: A guide to 35 developed sites, wilderness, and other points of interest. Lists facilities available.

Developed Site Brochures: These brochures include schematic maps of the campgrounds, with details about the facilities available at each area.

Crystal Vista: Quartz crystal collection area at the site of a closed quartz quarry.

Talimena Scenic Byway: This guide sheet describes attractions and facilities along and adjacent to the 54-mile mountain top drive in both Arkansas and Oklahoma.

Recreation Opportunity Guide-Trails: The trails package provides fact sheets on the trail system of the forest. Information describes the type of uses, length, highlights and a location map.

Ouachita Forest Visitor Map (SALE ITEM): This 1/2" =1 mile map of the Forest shows the location of administrative sites, developed recreation areas, roads, and trails. Provides information about camping, swimming, hiking, fishing, hunting, rules and regulations.

Ouachita National Recreation Trail (SALE ITEM): This contour map shows the location of the 192 miles of the Ouachita National Recreation Trail that passes through the Forest in Arkansas and Oklahoma. Provides information to assist hikers in planning and preparing for a cross-country experience.

7.5 min USGS Quads:(SALE ITEM) Topographic maps of the forest. Trail guides and wilderness information sheets list map reference numbers or map indexes available at Forest Service offices.
