Re: BE #04-04-01 – Boswell Creek Watershed – Walker & San Jacinto Counties – Sam Houston NF

Dear Mr. Reid:

Please review the attached Biological Evaluation dated October 31, 2003 for concurrence of the conclusion of “not likely to adversely affect” proposed, threatened or endangered species on the National Forests and Grasslands in Texas. Review of sensitive species of flora and fauna have been reviewed by our specialists or will be completed prior to final approval of the project.

Please reference B.E. by biological evaluation number for correspondence on proposed projects.

Sincerely,

LARRY H. BONNER
Natural Resources and Lands Team Leader

Based on available information, it appears the described action is not likely to adversely affect any federally listed or proposed species.

Date October 31, 2003
