

**BRIDGE INSTALLATION REQUIREMENTS**  
 The Contractor will not be allowed to remove any trees outside of the trail clearing limits allowed in the project plans. It is imperative that the bridge installation proceed with the minimum amount of disturbance to the existing trees and forest floor. Liquidated damages in the amount of \$250 for each branch damaged and \$1,000 for each tree trunk damaged through chaffing, rubbing or abrasions incurred during the installation of each bridge will be assessed against the General Contractor by the Owner as compensation for the impacts to the existing fauna.
