Overview of the History of the Superior National Forest (public version of Thursday slide show)

Feb 16 Presentation - Superior Public Library, Superior, WI - Northern Lakes Archeological Society Public Lecture Series 7:00 pm

PAULSON MINE AND THE PORT ARTHUR & WESTERN RAILROAD

Feb 18 Future of Wind and Fire in Northern Minnesota Forests - Cloquet Forestry Center, Cloquet, MN

Symposium presents research and monitoring regarding the 1999 blowdown and highlights lessons learned for responsive and adaptive management within fire/timber/recreation (including wilderness) programs as a basis for future decision-making.

Feb 28- March 4, Cross-border Ski/Dog sled expedition

A 9-person crew composed of staff from the Superior National Forest and Quetico Provincial Park, along with volunteers, will travel by x-c ski and dog sled from Ely Minnesota to Atikokan, Ontario. The group will cover about 75 miles following approximately the same route taken by a similar group 25 years ago during the Forest's 75th anniversary.
