

Campground Host

Location: Whiteface Campground/Superior National Forest

Needed: 2 hosts (a couple or individual can fill each position)

If interested, please contact: Dave Worshek (218) 229-8819 or dworshek@fs.fed.us

Two positions are available to be campground hosts at Whiteface Campground on the Superior National Forest. The campground is located 15 miles south of Aurora, MN and 60 miles north of Duluth, MN and is situated on the Whiteface Reservoir, which provides a great walleye fishery. The campground contains 52 camping units on 4 loops which includes group sites, long-term sites, and electric RV sites. There are also three new tent sites. Other facilities include picnic sites with one shelter, a sandy swimming beach, a playground area, 2 ½ miles of trails, a boat launch, vault toilets, water spigots throughout the campground, and a fish cleaning house. The host site is equipped with hookups for electricity, a water pump, a vault toilet, and a screened porch. The two hosts will share the host campsite for no fee and will receive a daily stipend.

Duties:

- Assist campers with fee payment procedures, answer questions, and provide them with information about the campground and area.
- Complete light maintenance such as picking up litter, raking, cleaning out fire rings, cleaning vault toilets, clean bulletin board (ensure posting of proper signs and posters), inspecting wells, collect water samples for testing, repair minor maintenance items.
- Make observations of violations that should be reported to the proper Forest Service contact.
- Maintain records in relation to campground use.

Requirements:

- A host must be physically able and willing to do light maintenance work.
- The preferred tour of duty for a host is the entire recreation season (May 6 – September 8); however shorter time periods may be considered. The campground host should be at the campground at least five days a week. It is desirable that hosts be on site Friday, Saturday, Sunday and holidays during the camping season. The dates for the 2009 season are May 6-September 8. You are welcome to arrive a few days early and stay longer if you desire.
- The host must be willing to serve as a government witness for violations observed.
- Willing to represent the United States Forest Service in a favorable fashion.
