

Ottawa National Forest Map Ordering Form

Maps and general information concerning the Ottawa National Forest can be obtained by mail or in person directly from the Forest Supervisor's Office, E6248 US2, Ironwood, Michigan 49938. Correct pre-payment must accompany map orders requiring remittance and payable to **USDA Forest Service**.

1. **Forest Recreation Map** – This is a map of the entire Forest at a scale of ½ inch equals 1 (one) mile. It shows the road system, trails, wilderness areas, lakes, streams, developed recreation sites including camp and picnic grounds and boat landings (with site index which includes type of fish in the lake), winter sports areas, points of interest including waterfalls, and other information beneficial to visitors. This map includes the North Country National Scenic Trail, winter recreation, snowmobiling, wildlife, canoeing, hunting, fishing and more. (2008 Edition.)

Price per copy - \$10.00

2. **Primary Base Series Map** – These maps are at a scale of 2.64 inches equals 1 mile and are in a 7 ½' latitude by 7 ½' longitude quadrangle format. They were derived from the U.S. Geological Survey Topographic Quadrangles, are highly detailed, and serve as the base for all other Ottawa National Forest maps. Topography is shown with a contour interval of 10 or 20 feet or 5 meters. **See Ottawa quad map index to select map.**

Price per copy - \$6.00 plus \$3.50 shipping charge per order.

3. **North Country Trail Maps** - Two maps cover the portion of the North Country Trail that runs through the Ottawa National Forest. One map covers Ironwood to Cascade Falls and the other covers the area from Cascade Falls to Alberta. Both are available for \$4.00 each.

Price per copy – Ironwood to Cascade Falls - \$4.00
Cascade Falls to Alberta - \$4.00
