

Jennifer Birdsall - Publications and Presentations

Refereed Publications:

Birdsall, J.L., P.C. Quimby, Jr., N.E. Rees, T.J. Svejcar, & B.F. Sowell. 1997. Image analysis of leafy spurge (*Euphorbia esula*) cover. *Weed Tech.* 11:798-803.

Wilson, L.M. J.P. McCaffrey, P.C. Quimby, Jr., & J.L. Birdsall. 1997. Hawkweeds in the Northwestern United States. *Rangelands* 19:18-23.

Boyette, C.D., P.C. Quimby, Jr., A.J. Caesar, J.L. Birdsall, W.J. Connick, Jr., D.J. Daigle, M.A. Jackson, G.H. Egley, & H.K. Abbas. 1996. Adjuvants, formulations, and spraying systems for improvement of mycoherbicides. *Weed Tech.* 10:637-644.

Manuscripts In Press:

Mincemoyer, S.A. and J.L. Birdsall. Vascular flora of the Tenderfoot Creek Experimental, Little Belt Mountains, Montana. *Madrone*. In Review.

Birdsall, J., G. Markin, J. Littlefield, & P. Quimby, Jr. Proposed Host Specificity Plant List for Testing Potential Biological Control Agents of Rush Skeletonweed (*Chondrilla juncea* L.), USDA-APHIS TAG Petition.

Birdsall, J. & G. Markin. Proposed Host Specificity Plant List for Testing Potential Biological Control Agents of Kudzu, USDA-APHIS TAG Petition.

Other Publications:

Book chapters, etc.:

Birdsall, J.L. & P.C. Quimby, Jr. 1996. Hawkweeds. In N.E. Rees, P.C. Quimby, Jr., G.L. Piper, E.M. Coombs, C.E. Turner, N.R. Spencer, & L.V. Knutson (Eds.), *Biological Control of Weeds in the West*, Western Soc. Weed Sci., Bozeman, MT.

Birdsall, J.L. & P.C. Quimby, Jr. 1996. Common Crupina. In N.E. Rees, P.C. Quimby, Jr., G.L. Piper, E.M. Coombs, C.E. Turner, N.R. Spencer, & L.V. Knutson (Eds.), *Biological Control of Weeds in the West*, Western Soc. Weed Sci., Bozeman, MT.

Quimby, P.C., Jr. & J.L. Birdsall. 1995. Fungal Agents for Biological Control of Weeds: Classical and Augmentative Approaches. Pp. 293-308 in R. Reuveni (Ed.), *Novel Approaches to Integrated Pest Management*, CRC Press, Inc., Boca Raton, FL, 396 pp.

Patents and Invention Reports:

Quimby, P.C., J.L. Birdsall, A.J. Caesar, N.K. Zidack, C.D. Boyette, W.J. Connick, & W.E. Grey. 1996. Granulated formulation and method for stabilizing biocontrol agents. U.S. Patent Application No. 8,695,249.

Quimby, P.C., J.L. Birdsall, A.J. Caesar, N.K. Zidack, C.D. Boyette, W.J. Connick, & W.E. Grey. 1996. A sucrose formulation method for the stabilization of bacteria, fungi, and nematodes. Invention Report No. 0041.96.
