

## Sustainable Operations Training Opportunities List

Training Name	Location (city/state or online)	Instructor	Organization	Cost	Brief Description	Dates	Website	In-Person, Virtual, or Both
Behavior, Energy & Climate Change (BECC)	Sacramento, California		American Council for an Energy Efficient Economy (ACEEE), California Institute for Energy and Environment (CIEE), University of California, and the Precourt Energy Efficiency Center (PEEC), Stanford University.	N/A	The Behavior, Energy and Climate Change Conference focus on understanding the nature of individual and organizational behavior and decision making, and using that knowledge to accelerate our transition to an energy-efficient and low carbon economy. It will build on the overwhelming success of previous BECC conferences, at which more than 650 participants discussed successful policy and program strategies, shared important research findings, and built dynamic new networks and collaborations	11/11/2012 - 11/14/2012.	<a href="http://www.becccconference.org/">http://www.becccconference.org/</a>	
BioCycle West Coast 2012	Portland, Oregon		BioCycle		Learn about sustainable waste management solutions	04/16/2012 - 04/19/2012	<a href="https://www.jgpress.com/westcoast/2012/index.html">https://www.jgpress.com/westcoast/2012/index.html</a>	
Community-Based Social Marketing (CBSM) Introductory Webinar	Varies	Doug McKenzie-Mohr, Ph.D.	McKenzie-Mohr & Associates	Pricing for up to 60 participants is \$1750, while over 60 participants is \$1950	This 90 minute webinar provides an overview of community-based social marketing and how it is being applied throughout the world to foster sustainable behavior. The webinar introduces the five steps of community-based social marketing (selecting behaviors, identifying barriers and benefits, developing strategies, conducting a pilot, and broad scale implementation). This overview can be utilized to introduce colleagues or community partners to the process of community-based social marketing. Alternatively, it can be used as an executive briefing for senior staff. Pricing for up to 60 participants is \$1750 US, while over 60 participants is \$1950 US. There is 10% discount on these prices if the date for the webinar is arranged prior to the end of 2011.	Upon Request	<a href="http://www.cbsm.com">http://www.cbsm.com</a>	Virtual
Corporate Sustainability Manager Training	Portland, Oregon		Everblue - Training Institute	Varies	Offers various courses	Ongoing	<a href="http://www.everblue.edu/locations?location=Portland%2C+OR">http://www.everblue.edu/locations?location=Portland%2C+OR</a>	
Ecobuild America Conference	Tucson, AZ		Conference/ Seminar		Held in conjunction with Ecobuild America at the Washington Convention Center, this conference offers a wonderful opportunity to learn about eco-building design, as well as to catch up on the latest innovations in sustainable practices, building information modeling (BIM) and high-performance building design. The week will include information-packed conferences; technology demonstrations; networking opportunities; exhibits and other co-located events.	12/3/2012-12/7/2012	<a href="http://www.aececobuild.com/">http://www.aececobuild.com/</a>	In Person Attendance
Environmental Communication for Behavior Change	Online	Nicholas School of the Environment, Duke University	Duke Environmental Leadership (DEL) Program	\$1,225	This course will provide resources and methods for using effective communication strategies to accomplish behavior change and solve environmental problems. This course will also: 1) Demonstrate how to use social marketing to address problems at a community level; 2) Address how social marketing and behavior change can be applied to environmental problems and used to create solutions; 3) Provide participants with a hands-on opportunity to design their own environmental campaign; 4) Introduce techniques for enacting and implementing environmental policy as a means of behavior change.	This online course will be held weekly from January 16-February 24, 2012	<a href="http://www.nicholas.duke.edu/del/executiveed/courses/environmental-communication-for-behavior-change">http://www.nicholas.duke.edu/del/executiveed/courses/environmental-communication-for-behavior-change</a>	Virtual
ESW Annual National Conference - visit website	Varies		Engineers for a Sustainable World			Ongoing	<a href="http://www.eswusa.org/displaycommon.cfm?an=1&amp;subarticlenbr=20">http://www.eswusa.org/displaycommon.cfm?an=1&amp;subarticlenbr=20</a>	
Future Energy Conference + Northwest Solar Expo	Portland, Oregon		Future Energy Conference		The business of renewable energy and efficiency	04/25/2012 - 04/28/2012	<a href="http://www.futureenergyconference.com/cities/portland/">http://www.futureenergyconference.com/cities/portland/</a>	
Future Energy Conference + Washington State Energy Summit	Seattle, Washington		Future Energy Conference		The business of renewable energy and efficiency	11/13/2012 - 11/14/2012	<a href="http://www.futureenergyconference.com/cities/seattle/">http://www.futureenergyconference.com/cities/seattle/</a>	
GovEnergy 2012	St. Louis, MO	N/A	DOE, GSA, VA, DoD, Dept of Homeland Security, EPA, USDA	\$425	The GovEnergy workshop and trade show serves to provide effective energy management training to federal employees and their associated stakeholders. In doing so, it fosters opportunities to further educate and encourage the best application of practices, products, and services as they relate to energy efficiency, renewable energy, water efficiency, and greenhouse gas management within the federal sector.	8/19/2012 - 8/22/2012	<a href="http://www.govenergy.com/Index.aspx">http://www.govenergy.com/Index.aspx</a>	In-Person

## Sustainable Operations Training Opportunities List

Training Name	Location (city/state or online)	Instructor	Organization	Cost	Brief Description	Dates	Website	In-Person, Virtual, or Both
Green Business Conference	Tucson, AZ		Conference/ Seminar		The conference provides introduction and insight to innovative, new technologies and strategies through contact and collaboration with industry leaders in sustainable business practices.	Nov. 8 - 9, 2012	<a href="http://www.opportunitygreen.com/">http://www.opportunitygreen.com/</a>	In Person Attendance
