

2009 Forest Service Sustainable Operations Summit
October 27-29, 2009, Portland Oregon
Leading by Example-Toolkit for Success

Are you interested in participating in the Summit virtually? Virtual participation will take place through the internet, in a webinar style format. Group sites will be given preference, however individuals may also sign up to join the Summit virtually. More information can be found on the Sustainable Ops website at:

<http://www.fs.fed.us/sustainableoperations/susops-summit-2009.shtml>

How many sites would you like to request? _____

Name, area, email, and phone number of a Regional/Area/Station/Job Corp Center contact for virtual deployment. Each group site will need a contact, as will individuals joining from their computers.

Coming to Portland: It is our desire to spread slots for the face-to-face meeting across the nation. Please consider a broad spectrum of unit and occupations to represent your Region/Station/Area/Job Corp Center.

Please email this form to mspargo@fs.fed.us or fax to (907) 743-9477
