\(^1\) The BLM issued grazing bills and allowed domestic sheep or goat use during the 2009 grazing year (11/2008-10/2009). A bill to graze livestock on or across public land with livestock (i.e., trailing) is issued annually.

\(^2\) Under term grazing authorizations (term-permits, leases, or Exchange-of-right authorizations) current as of 11/19/2010, the BLM authorized domestic sheep or goat use within all or part of the allotment. Data does not include grazing public land with livestock (i.e., trailing).
