  - FS Administrative Boundaries
  - DOI: BLM Managed Lands
  - All Other Federal Lands

¹The BLM issued grazing bills and allowed domestic sheep or goat use during the 2009 grazing fee year (3/1/2009-3/28/2010). A bill to graze livestock or to cross public land with livestock (i.e., trailing) is issued on an annual basis.

²Under term grazing authorizations (term permits, leases or Exchange-of-Use authorizations) current as of 11/19/2010, the BLM authorized domestic sheep or goat use within all or part of the allotment. Data do not include crossing public land with livestock (i.e., trailing).

The Forest Service (FS) and Bureau of Land Management (BLM) reserve the right to correct, update, modify, replace or withdraw products based on new information, other data, research, interpretation, etc. The Forest Service (FS) and Bureau of Land Management (BLM) make no expressed or implied warranty, including warranty of merchantability and fitness, with respect to the accuracy, accuracy only at certain scales, incomplete data and product accuracy may vary. They may be: developed from sources of differing accuracy, accuracy only at certain scales, incomplete data and product accuracy may vary. They may be: developed from sources of differing accuracy, inaccurate due to interpretation, visualization, study area extent, current as of last update, etc. Users of BLM products (other than those cited for exchange of data) may update, modify, or replace, GIS products based on new inventories, new or revised information, while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results.
