- When utilizing an envelope for the records at the finance section, the Emergency Equipment Rental-Use Envelope should be used and not the Commercial Rental white envelope.

## **CONSIDERATIONS FOR DETERMINING RATE**

- BEFORE NEGOTIATING RATE:
  - Determine ownership of land / facilities
  - Confirm owner's agent if applicable
  - Resources available to confirm ownership
    - City or County Tax Assessor's Office
    - Courthouse
  
- Private Campgrounds – what are average receipts / revenues for similar time period
- Historical record of rates for use in local area – local rangers may be good source
- Facilities – if facility is abandoned from normal use, consider revenue lost for the activities
- Fairgrounds – were there any events cancelled or rescheduled to make them available?
- Cost of relocating and feeding of stock
- Are there vacant facilities held by other agencies that may be available?
- Consider a not to exceed rate commensurate with property value
