

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE COLORADO TRAIL FOUNDATION  
AND  
UNITED STATES DEPARTMENT OF AGRICULTURE  
FOREST SERVICE

This MEMORANDUM OF UNDERSTANDING (MOU) is hereby made and entered into by and between The Colorado Trail Foundation, hereinafter referred to as CTF, and United States Department of Agriculture Forest Service, Rocky Mountain Region, hereinafter referred to as the Forest Service.

A. BACKGROUND:

The Colorado Trail Foundation evolved out of considerable efforts by the Colorado Mountain Trails Foundation and individual volunteers who also represented the Colorado Mountain Club and the Friends of the Colorado Trail in cooperation with the US Forest Service beginning in 1973. The mission of the CTF is to “provide and maintain, through voluntary and public involvement, and in cooperation with the USDA Forest Service and Bureau of Land Management, a linear, non-motorized, sustainable, recreation trail between Denver and Durango, Colorado.”

In its formative years, the CTF envisioned The Colorado Trail (CT) as a “non-vehicular trail” from Denver to Durango. Since those early years, the use of mountain bikes on our national lands has greatly increased, and the term “non-vehicular” has given way to “non-motorized” to better describe the original intent of the early planners to provide for a trail closed to motorized vehicles of any type. The CTF continues to support the development, maintenance and preservation of a completely non-motorized trail.

The Colorado Trail is delineated as the main trail corridor: 100 meters on either side of the trail tread, between Denver and Durango as described in the official CTF Colorado Trail guidebook.

This MOU is based on earlier agreements between the CTF and USFS: 1980 Environmental Assessment and Decision Notice, 1988 Master Agreement and the 1998 Master Plan. Additionally, intentions reflected in the 1976 Cooperative Agreement between the USFS and Colorado Mountain Trails Foundation (precursor to the CTF) have been incorporated. This MOU is the current working document and will provide a basis for addressing realities the CT now faces.

G. IT IS MUTUALLY UNDERSTOOD AND AGREED BY AND BETWEEN THE PARTIES THAT:

1. FREEDOM OF INFORMATION ACT (FOIA). Any information furnished to the Forest Service under this instrument is subject to the Freedom of Information Act (5 U.S.C. 552).

This MOU may be extended or amended upon written request of either the Forest Service or CTF and the subsequent written concurrence of the other(s). Either the Forest Service or CTF may terminate this MOU with a 60-day written notice to the other(s).
4. RESPONSIBILITIES OF PARTIES. The Forest Service and CTF and their respective agencies and office will handle their own activities and utilize their own resources, including the expenditure of their own funds, in pursuing these objectives.
