
2003 *Engineering Field Notes* Article Award Winners

Thank you for voting for your favorite *Engineering Field Notes* (EFN) articles. Nominating the top three articles is one way to recognize the authors who wrote those articles.

It takes time and energy for busy engineers to write articles for *Engineering Field Notes*. We rely on our authors to share their time, knowledge, and experience. The articles continue to save the U.S. Department of Agriculture (USDA) Forest Service time and resources.

The following winning authors will receive cash awards for 2003 EFN articles:

John Kattell for *Packable Trail Bridges*

Kathie Snodgrass for *Is There a Fuel Cell in Your Future?*

Bert Lindler for *Technology and Development Innovations Now on the Internet*

Congratulations to the winners and to the authors who contribute articles. For tips on how to submit your article, see the *Engineering Field Notes: Guidelines for Authors* in this issue.
