TE02P18—Engineering Services

January 1999

This publication reports research involving pesticides. It does not contain recommendations for their use, nor does it imply that the uses discussed here have been registered. All uses of pesticides must be registered by appropriate State and/or Federal agencies before they can be recommended. CAUTION: Pesticides can be injurious to humans, domestic animals, desirable plants, and fish or other wildlife—if they are not handled or applied properly. Use all pesticides selectively and carefully. Follow recommended practices for the disposal of surplus pesticides and pesticide containers. The Forest Service, United States Department of Agriculture, has developed this information for the guidance of its employees, its contractors, and its cooperating Federal and State agencies, and is not responsible for the interpretation or use of this information by anyone except its own employees. The use of trade, firm, or corporation names in this publication is for the information and convenience of the reader, and does not constitute an endorsement by the Department of any product or service to the exclusion of others that may be suitable.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at 202-720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964 (voice or TDD). USDA is an equal opportunity provider and employer.

Table of Contents

Part 2 of 6

Introduction	1
MTDC Applicator	2
Installation	4
Applicator Assembly	4
Delivery Tube	4
Electrical Connections	6
Nozzle	7

Part 3 of 6

Initial Settings	8
Compressor Air Pressure	8
Air Solenoid Timer	8
Applicator Metering Timer	8
Lower Applicator Plate Adjustment Screws	9
Sporax Preparation	10
Distribution	10
Application Rate	10
Installation Time	11

Part 4 of 6

Appendix A—<i>Borax Applicator Drawing</i>	12 through 16
---	---------------

Part 5 of 6

Appendix A—<i>Borax Applicator Drawing</i>	17 through 25
---	---------------

Part 6 of 6

Appendix B—<i>Borax Applicator Wiring Diagram</i>	26
