

# Forest Health Monitoring Program Monthly Update - Supplement April 26, 2017

## UPCOMING EVENTS

(Items beginning with \* indicate a new listing or new information)

\***June 13-15, 2017.** Lafayette, IN. The Thousand Cankers Disease Research & Management Operational Meeting. The purpose of the meeting is to receive and review all survey, research and regulatory activity of the impacted states and agencies. A goal is to determine and suggest direction for thousand cankers disease (TCD) research, management and regulation. Invitation goes to all states and agencies impacted in some manner by TCD. At the end of meeting, state regulatory people and others will discuss update/changes to quarantines and management practices and suggest research direction. If you have a research topic or other topic you feel would benefit the meeting, please let Liz Jackson ([jackson@purdue.edu](mailto:jackson@purdue.edu)) and Phil Marshall ([PMarshall@dnr.IN.gov](mailto:PMarshall@dnr.IN.gov)) know as the goal is report on all information related to TCD. The Courtyard by Marriott in Lafayette is the meeting site and the meeting is in conjunction with the Walnut Council National Meeting June 11-14. The cut-off date to make hotel reservations is **May 10** (Days Inn) **and May 11** (Courtyard by Marriott). Use Walnut Council to get the meeting rate for the rooms. There is **NO Registration Fee** for the TCD meeting. There is an additional charge if you want to attend the Walnut Council banquet on Tuesday June 13. An updated TCD meeting agenda and hotel and travel information is available at [the TCD website](#), [the National Plant Board website](#) or [the Hardwood Tree Improvement & Regeneration Center website](#).
