FOREST SERVICE MANUAL
CHIPPEWA NATIONAL FOREST

August 1989

TITLE 7100 - ENGINEERING OPERATIONS

Chippewa Supplement No. 20

POSTING NOTICE - Supplements to this title are numbered consecutively. Check the last transmittal sheet you received for this title to see that the above supplement number is in sequence. If not, order intervening supplements at once (show title and supplement number). Do not post this supplement until the missing one(s) is received and posted. After posting, retain this transmittal sheet until the next supplement to this title is received. Individual holders should keep only the last transmittal sheet and should place it at the front of the title.

Digest:

Establishes Chippewa National Forest Sign Plan. Please refer to the Brochure entitled "Signing for the Customer."
Removes Supp. 19 dated 6/85 from the FS Manual.

It is my decision to not obtain public involvement on this manual supplement because the subject matter is exempt according to 36 CFR 216.3.
