

TITLE 2700 - SPECIAL USES MANAGEMENT

2710.4 - Responsibility

2710.44 - District Rangers. Delegated authority to issue the following special-use authorizations:

1. Permits of a temporary nature.
2. Annual permits having negligible environmental impacts, including driveway permits.
3. Outfitter and guide permits including intra-Forest permits where the majority of the permit use is expected to occur on the District. Affected District Rangers will jointly determine the lead District to avoid duplication in the NEPA analysis and permits.
4. Standardized permits on approved sites.

Permits listed in FSM 2710.43 require review and coordination with the Regional Forester and are not redelegated to the District Rangers.
