

TITLE 2700 - Land Uses

2710.44 - Authority Delegated To Forest Supervisors

District Rangers are delegated to serve as "authorized officer" in issuance of special use permits pursuant to rules and regulations in Title 36 CFR 251 within the following conditions:

Permits may be issued for uses of a temporary nature, uses having negligible environmental impacts, and more or less standardized permits on approved sites. Permits of a temporary nature are those which by their terms will terminate in one year or less and therefore cannot be re-issued except under Forest Supervisor authority.
