DISPATCH: Edward 10, Angeles.

FIRE: Angeles, Edward 10, go ahead.

DISPATCH: Edward 10, Angeles. It’s possible you’re not along the lower part of Big T Road, but if you’ve been through if you’ve heard, can you give me a condition, a general synopsis. I have county roads that’s left that area some two, three hours ago. They’re inquiring if it’s safe to get back up in there. Advise if you have that information.

FIRE: We’ve got one lane open down at the bottom, we have one lane open. It’s going to be the -- it’s going to be the down road or down canyon lane is going to be open. Up canyon lane is still closed, full of rock.

DISPATCH: Edward 10, I copy, down lane lower Big T is open, the other side’s got rocks. Their crew left the area a little while ago. Is their road crew safe to go back in there, at least on the highway? Their dispatch is inquiring. I
understand it’s their discretion, but what’s your thoughts?

FIRE: At this time, we can get emergency vehicles up and down, so as far as that goes we’re good. We might have a problem up at on the Forest Highway. I’ll let you know here in a little bit.

FIRE: Angeles admin, go ahead with that traffic.

DISPATCH: (Inaudible) (b)(6), 9th Division, (b)(6), Angeles admin.

FIRE: Angeles, I copy your request, and that’s due to rocks in the road etcetera. Are there any other concerns?

FIRE: Yes, sir. Animal control -- stand by.

FIRE: Sir, if we could get animal control. We have an owl, it’s going to be an owl at the -- at the tunnel at Hidden Springs right at the -- they can’t miss it. The bird is obviously hurt from the fire, standing in the tunnel, and assistance for animal control.

Also, at the Hidden Springs Café, we have power lines that are -- stand by.

FIRE: Continuing. We have power lines at the Hidden Springs Café that if someone is -- you can barely see them, and they’re crossing the road. They’re not on the ground but they are crossing the road, and if somebody drives through here (inaudible). We need those to come down.
DISPATCH: Copy (inaudible) power lines down in a precarious situation, make notifications to Southern California Edison on that. Also make a notification regarding your injured owl that’s going to be at the tunnel near Hidden Springs. Negative for animal control. FIRE: Yeah. Well, see if you can locate two (b)(7)(A) that were seen in that area and if you can locate, let's see if we can get them out of there.

FIRE: 10-4. Am I looking for them in the campground or are they walking on the roadway?
FIRE: Information at this time, that’s where they were last seen.

FIRE: Do you copy?

FIRE: 1 Charlie 1, Edward 10, you’re coming in unreadable. We’re on tone 7.

FIRE: Yeah, how do you copy now?

FIRE: Go ahead and try it, (b)(6).

FIRE: Yeah, so they were last seen at campground area.

FIRE: We just did a run through (b)(7)(A). We did not see anyone. I’m going to go up the dirt road a little ways, the one that goes up to the mines, and then we’ll try the highway.

FIRE: Yeah, copy, (b)(6). I think they were flushed out, so they should be at some point on the (inaudible), so make sure you look very good and watch your back.

FIRE: Copy.

FIRE: Call in for (inaudible).

FIRE: Yeah, sir, which way were they walking, sir? Were they walking north or were they walking south? Copy, sir.
We’ll -- we’ll try and find them, sir.

**FIRE:** Utility, Edward 10. I apologize, I don't know your -- I think it was Utility 14. How long ago was it that you guys saw these individuals?

**FIRE:** Angeles, Edward 10. Angeles, forward this to admin.

**DISPATCH:** Angeles.

**FIRE:** Yes, sir. What was the utility that saw the two individuals down at (b)(7)(A)?

**FIRE:** (Inaudible). How long ago did you see the individuals at (b)(7)(A)?

FIRE: Hey, (b)(6), at this time you’ve got to find a way to do it. We can’t leave them there and I’ve got -- can’t get anybody up that way right now through Mill Creek area.

FIRE: 10-4. Could we use a utility to drive them to [b](7)(A) ?

FIRE: Yeah, I don’t -- I don’t care how we do it, let’s just get them out of that area.

FIRE: Would you mind coming back down here?
FIRE: Do you copy?

1 Charlie 1, Edward 10.

FIRE: Yeah, go ahead.

FIRE: So if I continue down or north on the Forest Highway, I’m not going to be able to get out, correct?

FIRE: Yeah, that’s affirmative. You’re going to have to take them back towards to the south.

FIRE: Did copy. I’m going to have, as soon as Utility 14 is done with what he needs to do I’m going to have Utility 14, we’re going to put them in the back and take them down that way.

FIRE: Yeah, copy that. Hey, (inaudible) and for our information. Copy?

FIRE: If they don’t cooperate with me, I’d like to -- to take them.

FIRE: Yeah, right now, we’re not in a position to really deal with that. We’ve got the other issues that we’ve got to deal with and I need the bodies available.

FIRE: Did copy. We’ll ID them and get them down to the bottom.
