ANGELAS OPERATIONS: Angeles Operations. Good morning.

How can I help you?

CALLER: Yes. This is -- I’m wondering, when are you guys going to open the National Angeles Forest back up -- up by Acton?

ANGELAS OPERATIONS: Unknown right now.

CALLER: The what -- unknown?

ANGELAS OPERATIONS: Yes, sir.

CALLER: Okay. Anybody I can call and talk to, to find out?

ANGELAS OPERATIONS: Well, we -- I can give you the information station center number. But, you know, I mean, the fire just ran through. It’s -- it’s a dangerous situation to be driving the roads right now.

CALLER: Okay. Well, okay.

ANGELAS OPERATIONS: I can give -- well, you can still take this number?

CALLER: Is it the (626) number?

ANGELAS OPERATIONS: Yes, sir.

CALLER: Okay. I have that. Thank you.

ANGELAS OPERATIONS: You’re welcome.
Hey, this is Angeles Operations. Hey, good morning. How are you doing?

Good. How are you doing?

I'm -- I'm just trying to time you on those crews, because I don't see nothing in WildCAD (phonetic). Did you speak to anyone exactly and they got filled?

Yes. And I was talking to -- there was a lady named in expanded. She got all the names and put them in rosts.

Okay.

So they're both assigned to the Station Fire.

So today day at every -- will they be there today?

Yes.

Okay. All right. I just --

They should have been there -- they should have been there last night at 1800 or something like that, or they got there last night.

Okay.

So they should be assigned by now.

So we never got that info. So
HUNTINGTON COURT REPORTERS & TRANSCRIPTION, INC.

Oh, I’m sorry.

ANGELES OPERATIONS: I’ll put them available -- it’s not your fault, it’s their fault.

Okay.

ANGELES OPERATIONS: But it’s just for tracking purposes. So I’ll make sure I put them in a WildCAD. The Monarchs and the -- what was the other one?

The Monarchs and the (inaudible).

ANGELES OPERATIONS: Okay. Copy. All right, And then the -- I was going to ask you, the -- the Roadrunners, are they still on the monarch -- the Morris Fire or did they get reassigned; do you know that?

ANGELES OPERATIONS: I can --

You guys don’t -- expanded is probably dealing with that, huh --

ANGELES OPERATIONS: Yeah.

ANGELES OPERATIONS: But I’m sure they -- they will probably get put over to the Station if they haven’t been yet. Because I know TC and whatever the other crew was, they’re diverting --

Okay.

ANGELES OPERATIONS: -- all the crews over there.

Okay. And just so you know, the Aztecs, today is
going to be their last day. They’re hitting 14. So they’ll be going -- be moving tomorrow, probably, just for your information.

ANGELES OPERATIONS: Okay. Thank you. That’s it.

ANGELES OPERATIONS: All right. You have a good day. You too.

ANGELES OPERATIONS: What you -- Talk to you later.

ANGELES OPERATIONS: What you doing today? I’m going to go to Little T and just try to get something done around there, like some training stuff or some projects or something.

ANGELES OPERATIONS: Oh. Okay. They’re crazy sitting around, so --

ANGELES OPERATIONS: I already told (phonetic) I want his job. I know. It’s not as easy as you think, but --

(inaudible) about 140 -- 140,000 acres and 20-something percent containment.

ANGELES OPERATIONS:  I haven’t pulled --

Is that about right, do you think?

ANGELES OPERATIONS:  I haven’t pulled the 209 yet.  But let me go ahead and do that, since you asked and I want to know, too.  Inquiring minds want to know.

Actually, exactly.  How are you guys holding up over there.  Okay?

ANGELES OPERATIONS:  Yeah.  I mean, in the -- well, ironically, you know, we were all complaining that it was so busy, and it’s really tough.  But now that it’s slowing down we’re actually tireder because we’re not wired anymore.  You know -- you know how that is?

I do.  I do.

ANGELES OPERATIONS:  Yeah.
ANGELA OPERATIONS: They have -- ask because she had a thing of them. Just take this one.

Yeah. This is Engine 46.

ANGELAS OPERATIONS: Uh-huh.

We’re up at -- we’re up at Texas Canyon. We just got assignments.

ANGELAS OPERATIONS: Okay.

And I was wondering if you guys got our E number for us yet?

ANGELAS OPERATIONS: And you went to Texas Canyon already?

Yeah. We just -- we were actually assigned to Texas Canyon Fire Station.

ANGELAS OPERATIONS: Correct.

And we just -- we just got a call -- or they -- they got a call from dispatch there that -- that we’re going to Chilao Fire Station, contact up there. And we’re just wondering if you have an E number for us?

ANGELAS OPERATIONS: What do you mean E number? For -- to go to Chilao?
Yeah. They said give you guys a call. You guys were working on an E number for us.

ENGINE 11: Hi. Is available?

ANGELES OPERATIONS: She’s not here right now. Could I take a message?

ENGINE 11: Okay. No. This is actually Engine 11. We’re out of Arizona. We have -- apparently we have a resource order for the mission fire. And I wasn’t sure if we needed to stop in there and grab it or if we needed to find out where check-in is at the -- at the ITC or what?

ANGELES OPERATIONS: For which fire, the -- the Station Fire?

ENGINE 11: The miss -- or mission fire -- or Station Fire. Yeah, Station Fire.

ANGELES OPERATIONS: Yeah. Yeah. Okay. You know what, hold on real quick. So you guys aren’t -- you guys aren’t here yet?

ENGINE 11: We are here. Well, we’ve been with the Green Valley Ranger Station. We’ve been tagging with them. So we were told to -- that we had resource orders for that --

ANGELES OPERATIONS: Oh, you guys -- you guys have resource order? Yeah. You know what, if you got a resource order, go ahead and check in with the ICP.
ENGINE 11: Okay.

ANGELES OPERATIONS: And you -- and you know where that’s at?

ENGINE 11: No. No idea.

ANGELES OPERATIONS: Yeah. I just called 1 Charlie 1. I said, “do you have a list of the people you have so I can at least guess at what” --

Well --

ANGELES OPERATIONS: -- “who I’m supposedly talking to?”

-- you just ask us, it’s in and out. But we thought we’d call and introduce ourselves. Normally we would stop by, but you’re on the other side of the mountain, I hear.

ANGELES OPERATIONS: I know.

So --

ANGELES OPERATIONS: Yeah. We’re land scatter.

But -- but I know where the nearest animal hospital is right here, just down the street, so far as the canine. I mean, he’ll be fine, but it’s hot here and stuff, just in case.

ANGELES OPERATIONS: Yeah.

I know where the hospital is and all that, but we’ll ask you if we get stuck.

And then right now we’re -- we may do some radio tests on the way up because we’re unfamiliar, plus I don’t have a mobile unit that has your bank in it. I can hear you guys

ANGELES OPERATIONS: Yeah.

I’ll be working again tomorrow.

ANGELES OPERATIONS: Yeah.

Okay. But I have my portable set up. But
we’ll -- we’ll do some radio tests on the way up. Just bear
with us. Okay?

ANGELES OPERATIONS: Okay. Well, the best in -- in San
Gabriel Canyon, if you can’t go direct the best thing to do is
hit Pine, which I think is --

Nine or three, they said.

ANGELES OPERATIONS: Okay. Nine or three. And that’s
probably Pine and --

Pine --

ANGELES OPERATIONS: -- and -- and Hawkins, that --

Yeah. That -- I’m looking. We got a little

ANGELES OPERATIONS: Yeah.

Nine is Pine Mountain and three is Hawkins.

ANGELES OPERATIONS: Yeah. Hawkins is -- is literally at
the very top of the canyon. If you have a map, it’s just above Crystal Lake.

Okay. The very top --

ANGELES OPERATIONS: And Pine --

-- of the street.

ANGELES OPERATIONS: And Pine --

Okay.

ANGELES OPERATIONS: And Pine sits kind of overlooking --

Down low.

ANGELES OPERATIONS: -- over -- kind of overlooking Rincon, so it kind shoots through the whole --

Okay.

ANGELES OPERATIONS: -- East Fork area.

And then your Edward 19 just told us that 2 is the best down here in the city, (inaudible) 2?

Try that first.

ANGELES OPERATIONS: Yeah.

Hey, what is your --

ANGELES OPERATIONS: Because sometimes --

What is your name?

ANGELES OPERATIONS: Thank you so much --

ANGELES OPERATIONS: Yeah. And then --

-- for your help.

ANGELES OPERATIONS: And then and are in here, too.

ANGELES OPERATIONS: Yeah.

Okay. Because I’m the type that will probably call in after (inaudible) just -- just -- if I think there’s any question. Okay?
ANGELES OPERATIONS:  Okay.  Great.

Yeah.  And also for useful information.

So -- okay.

ANGELES OPERATIONS:  Yeah.  You’ve got your dog with you.

 Uh-huh.

ENGINE 46: -- got our E number and all that, so --

Okeydoke.

ENGINE 46: What -- what -- what repeater are we going to be using up here?

For Chilao it will be Josephine.

ENGINE 46: Josephine?

Yeah. Josephine or -- or -- either Josephine or Waterman.

ENGINE 46: Waterman?

Yeah. Tone 7 or Tone 1.

ENGINE 46: Okay.

Tone 1 -- Tone 1 or Tone 7.

(b)(6) Huh?

(b)(6) The boss.

(b)(6) The boss. That’s -- that’s fine. She’s kind of short like that guy, you know?

ANGELES OPERATIONS: Huh? Okay.

(b)(6) As short as the captain.

(inaudible.)

ANGELES OPERATIONS: Yeah. You and (Phonetic). And what’s (Phonetic)?

That’s (Phonetic). I forgot. And (Phonetic)

Uh-huh.

ANGELES OPERATIONS: And Ish (phonetic) and (Phonetic).

Yeah.

ANGELES OPERATIONS: And --

And four people from (inaudible).

ANGELES OPERATIONS: Wait. What’s her first name?

(Phonetic). And she’s an Alpha. I mean, she has -- she’s a canine unit.

That’s why she’s 3 King 3.

ANGELES OPERATIONS: She told me she’d go by Edward 3.

But anyhow -- and (Phonetic)?

Well, maybe she doesn’t have her dog with her.

ANGELES OPERATIONS: No, she does have her dog. Because she wanted to find out where there were animal hospitals, if needed.

Oh. Okay.

ANGELES OPERATIONS: She said she had one but she’d get to

(b) (6) Oh, I see.

ANGELES OPERATIONS: And the king part because --

(b) (6) Oh, yeah. That’s probably him then, I guess.

Yeah.

ANGELES OPERATIONS: All right.

Because I -- I just wanted to book the LEOs. I know you didn’t care about the -- I -- we didn’t even talk about the agents.

Yeah.

ANGELES OPERATIONS: I didn’t hear that. I just heard that he got the job about a year or two ago, whatever it was.

Yeah. (Inaudible.) He got the job and he hung out for a couple years, and then that was it.
ANGELA OPERATIONS: Well, he’s still in the database.

Huh. Oh, well.

ANGELA OPERATIONS: Because I went to go see -- figure out who -- what other LEOs would have that same -- it’s 02-50 as their provider. So this -- maybe this guy is the new -- do you know who the new [redacted] is?

I think it’s [redacted] something.

ANGELA OPERATIONS: Oh. Okay. So it’s not [redacted]?

No.

ANGELA OPERATIONS: But it’s funny that they don’t know who -- I mean, he’s in their database and they don’t even know who he is.

Well, [redacted], actually, I heard some of the guys from Region 8 just came out here to do some hydro thing. And he’s --

ANGELA OPERATIONS: Oh. So he’s probably -- he’s probably the new guy down there and they just don’t know him yet.

Right.

ANGELA OPERATIONS: Okay.

So -- lot’s of fun.

ANGELA OPERATIONS: Okay. Well, thanks, [redacted] Certainly.

ANGELA OPERATIONS: Okay.

Engine 31. I -- I haven’t talked to you since (inaudible).

Oh. Okay.

Hey, your -- your engine has been following you,
all those patrols, the three patrols that were reassigned to

No.

And two of them --

Yeah. I --
Two of them are en route already.

No. I -- I called them right after J2 (phonetic) talked to me and I told them that they needed to be up here at 1700 (inaudible).

Uh-huh.

So they should have all known that.

Okay.

So --

Okay.

-- I -- I talked to all the guys.

Okay. Because they were -- they were saying they were leaving messages on your phone and stuff and -- and --

Well --

-- that’s why.

-- okay.

But they -- one of them called the ICP, I think, and gave -- they -- they gave him instructions to figure how to get there, the safest way, I guess, to get there.

Oh. Okay.

Okeydoke. (Inaudible.)

Yeah. Exactly. Okay. That’s what it was.

Yeah. Because I just wanted to update them. That’s why.

Oh. Okay.

Yeah. There’s (inaudible) 36 and 32, that’s a multiple --
37 and --
Yeah.
-- and the patrol?
Huh?
Even in that area on the 5 --

-- on -- near the city
-- could at least probably respond one engine and a
patrol.
Okay. In the city? Okay.
Yeah.
Okeydoke.
Not down into the city-city but --
But, yeah --
Okeydoke.
-- down, you know, whatever. I mean, you know,

OFFICER:  Bye.

ANGELES OPERATIONS:  Angeles Operations.

CALLER:  Yeah.  Who's this?

ANGELES OPERATIONS:  This is (b) (6).

CALLER:  (b) (6) is there -- is this expanded or no?

ANGELES OPERATIONS:  No, it's not.  I can give you the --

CALLER:  Oh.

ANGELES OPERATIONS:  -- number to expanded.
CALLER: Yeah. If you could do that I’d appreciate it.

ANGELES OPERATIONS: What -- what -- what do you need, any equipment, crews?

CALLER: Equipment.

ANGELES OPERATIONS: (661) 723-2595.

CALLER: 2595?

ANGELES OPERATIONS: Yes.

CALLER: Okay.

ANGELES OPERATIONS: Uh-huh.

CALLER: Thank you.

CALLER: Bye.

Goldleaf

ANGELES OPERATIONS: Angeles Operations.

Hey, This is Could you find out what the address is that La Verne Engine 62 is working?

ANGELES OPERATIONS: Okay. La Verne 62. Okay. Yeah. I’ll put you on hold. Okay? I’ll put you on hold,

Goldleaf

ANGELES OPERATIONS: Yeah. Stand by, is giving them a call.
ANGELES OPERATIONS: is still trying to get through.

Okay.

ANGELES OPERATIONS: So hold on a sec.
