

Comprehensive Fire Prevention Legislation Enacted by the California Legislature in 1992 after the East Bay Firestorm¹

Rachel Richman²

Legislation was enacted by the California Legislature in 1992 after the East Bay firestorm on the Oakland/Berkeley border; it included roofing standards, brush clearance, and

other safety requirements. Fire safety personnel and local government officials all participated in developing these measures and presenting them to the California Legislature.

¹An abbreviated version of this paper was presented at the Biswell Symposium: Fire Issues and Solution in Urban Interface and Wildland Ecosystems, February 15-17, 1994, Walnut Creek, California.

²Legislative aide, Office of Assemblyman Tom Bates, 3923 Grand Ave., Oakland, CA 94610.
